

Anno Georgij Quinti
 The Act for
 Town of
 and Erecting
 there by
 Walpole

Whereas the South part of the Town
 of Dedham within the County of Suffolk is compactly filled
 with Inhabitants, who labour under great difficulties by their
 Remoteness from the place of Publick worship, and have there-
 upon made their Application to the said Town of Dedham and
 likewise addressed this Court that they may be set off as a distinct
 and separate Town and be vested with all the powers and Privileges
 of a Town, and the Inhabitants of Dedham having consented
 to their being set off accordingly a Select Committee of this Court
 having viewed the said Town of Dedham and Reported a
 proper Divisional Line between the two parts thereof.

Be it therefore Enacted by the
 Lieutenant Governor Council and Representatives in Gene-
 ral Court assembled and by the Authority of the same That
 the Southern part of the said Town of Dedham, be and
 hereby is set off and constituted a separate Township by the
 name of **Walpole**. The bounds of the said Township
 to be as followeth To begin at Dorchester where the
 line of Wrentham Intervalls is and to l. E. to the Hawes-
 Brook, the said Brook to be the County line it is a small Pub-
 ling Brook and on the same course with Hunting Brook
 to Medfield Road, and so along that Road till it comes to
 Medfield line, and upon Medfield line until it meets
 with Wrentham line and so upon Wrentham line till
 it comes to the first Station that is, the Inhabitants of
 the said Land as before described and bounded be and
 hereby are vested with the powers, privileges and Immuni-
 ties that the Inhabitants of any of the Towns of this
 Province by Law use or ought to be enjoyed with.

Provided That the Inhabitants of
 the said Town of Walpole do within the space of
 Eighteen Months from the publication of this Act, erect
 and finish a suitable House for the Publick worship of
 God, and as soon as may be procure and settle a
 Learned Orthodox Minister of good Conversation and
 make provision for his comfortable & Honourable Support
 and likewise provide a Schoolmaster to instruct the young
 in writing and Reading. And that thereupon they be dis-
 charged from any further payment for the Maintenance of
 the Ministry and School in the Town of Dedham.

And be it further Enacted by the
 Authority aforesaid That the Inhabitants of the said
 Town of Walpole be and hereby are Impowered to assess
 all the Land of non residents lying within the said
 Town One penny in the Pound for the Charges of
 Building the Meeting House, settling a Minister.

1724 December 9th
 This Bill having been Read
 three several times in the
 House of Representatives
 passed to be Enacted

Jan 10 1725
 This Bill having been
 Read three several times in
 Council passed to be Enacted

By His Honour the
 Lieut Governor

I Consent to the Enacting
 of this Bill - J. J. Smith

TOWN BOARD MEETINGS

Selectmen

Every Tuesday; 7:30 p.m. on the second and fourth Tuesdays, and at 7:45 all other Tuesdays; Town Hall.

Appropriation Committee

Meets on the second and fourth Tuesdays at 7:30 p.m.; (in February, meetings are held every Monday and Tuesday at 7:30 p.m. and Saturday, at 9 a.m.); Town Hall.

School Committee

Meets on the first and third Monday at 7:30 p.m. (presently every Monday evening) School Administration Office, 1303 Washington Street.

Planning Board

Meets on the second and fourth Thursday at 8:00 p.m. in the Town Hall.

Sewer and Water Commission

Meetings are held every Wednesday at 7:30 p.m. in the Town Hall.

Board of Appeal

Meetings are held on the first and third Wednesday at 8:00 p.m. in the Town Hall.

Personnel Board

Meetings are held on the first and third Monday at 7:30 p.m. in the Town Hall.

Library Trustees

Meetings are held on the third Monday at 8:00 p.m. at the Main Library on Common Street.

Housing Authority

Meetings are held on the first Monday at 8:00 p.m. at the Housing for the Elderly Project, No. 9 Neponset View Terrace.

Conservation Commission

Meetings are held on the first and third Wednesday at 7:30 p.m. in the Town Hall.

Industrial Commission

Meetings are held on the second Tuesday at 8:00 p.m. in the Town Hall.

General Government

Board of Selectmen

ANNUAL REPORT OF SELECTMEN FOR 1973

After the annual election of 1973, the Selectmen organized with Bernard J. Duffy, Jr., being elected Chairman, and Roy G. Fisher being elected Clerk. The feeling of the Board was one of uncertainty since the voters of Walpole had adopted a new Charter eliminating the responsibility of the Selectmen as Sewer and Water Commissioners, Board of Health, and Cemetery Commissioners, as well as instructing the Selectmen to make various appointments to Boards which were previously elective. The Charter also gave broader powers to the Town Administrator relative to appointments, recommendations and financial authority. This year, then, was one of shakedown.

The Board welcomed the addition of Phillip Macchi, our newly elected member. His broad background was most welcome. The valuable experience of Mrs. Eleanor Johnson and the varied backgrounds of Mr. Clement Boragine and Mr. Fisher also proved to be most reassuring.

The Board met each Tuesday evening with few exceptions. The Police and Fire Chiefs met regularly with the Board on a monthly basis. Other boards and committees met with the Selectmen as required.

Major continuing areas of importance included waste disposal, collective bargaining, appointments to various boards, awarding of contracts, and financial matters. Of these, the cost of government was of prime importance. Increased costs, collective bargaining, inflation, the energy crisis, vandalism, and services demanded by the townspeople added to the burden.

In the collective bargaining area, multi-year contracts were signed with the Walpole Police Association, the Department of Public Works and the Clerical unit employed in the Town Hall.

The Board of Health, Trust Fund Commissioners and Recreation Committee were appointed as authorized by the Charter. Also the Permanent Building Committee was formed in accordance with Town Meeting action. Resignations were accepted from committee members with regret and thanks were given for their services. Because appointments were many, we have not listed

Bernard J. Duffy, Jr., Chairman

Roy G. Fisher, Clerk

them here but refer you to the front part of this publication.

Two notices of retirements were accepted with deep regret: that of William Haggblom as Chief of Police effective August 1, 1974, and Harold Willis as Superintendent of the Department of Public Works effective February 28, 1974. Both have served the Town well and will be missed by their many friends.

By far the most important contract of the year was awarded to Weston and Sampson for extensive improvements in the water distribution system. Other contracts awarded were for sewer construction, vehicles and services.

Malicious vandalism continued to be a problem of prime concern. At a meeting with the School Committee, this was discussed in depth. While informative, no decisions were made. This will be an item of increased importance in the years ahead.

The energy crisis arrived and the Selectmen were prepared. A list of energy saving proposals was adopted late in the year. (While these were only temporary measures as the year ended, we are looking ahead for Federal and State assistance to aid and guide us.)

In the area of legislative action, the Selectmen took strong positions regarding state reimbursement for town-owned land, binding arbitration, re-districting, and regional zoning, with wires and letters being sent to the Governor and our legislators.

Also in the legislative area, the Selectmen called for Special Town Meetings April 16, May 19, and September 5. One article in the September warrant proved to be a first for the State—by Town Meeting action, both North and High Streets were designated Scenic Roads.

Two important gifts were made to the Town in 1973. Miss Ann Bird donated seven acres of badly needed land for our water improvement program, and The Kendall Company donated the Red House on the Common for future use as the Town sees fit. Both were gratefully accepted.

In other action the Selectmen

- Continued collective purchasing with other towns for road salt and vehicles;
- Made Flood Insurance available to residents;
- Cited numerous employees for various reasons as recommended by their superiors;
- Appointed Phillip Macchi our representative to a Tri-Town Committee to discuss mutual problems;
- Welcomed the Damon Corporation to the Town;
- Considered the impact of the Norfolk Waste Disposal Study on the Town;
- Appointed a Dog Study Committee and CATV Study Committee to advise the Selectmen;
- Revised Traffic Rules and held numerous hearings on traffic complaints;
- Approved a two-town agreement with Norfolk concerning services rendered to MCI Walpole;

Mrs. Eleanor N. Johnson

Clement Boragine

Philip H. Macchi

- Reviewed ambulance regulations and fees, drew jurors, help public hearings for utilities and performed the other duties required by the Charter;
- Appointed Anthony Bruno to the School Committee in a joint meeting with that committee.

As we enter 1974, it seems that we are confronted with many of the same problems we faced in 1973. Spiralling costs are certainly the number one problem. The burden on the property owner has become unbearable. While revenue sharing has helped, the expansion of sewer and water systems has absorbed these funds. Towns with betterments behind them have fared well with these funds. Others, like Walpole, find that while helpful, these funds do not appreciably reduce the tax rate.

Town Administrator

In January 1973, the Townspeople of Walpole voted a new Town Charter under the Home Rule provision of the State Constitution. This past year has found my office and the various departments responsible to my office, structuring, working with, and developing rapport and lines of communication with various Town agencies. Unfortunately, much remains to be resolved; however, I look forward to the ensuing year and the challenges which confront us all. I will, as I have in the past, be committed to the policies of the Town of Walpole and the objectives and goals of the Community.

During the calendar year 1973 numerous projects were undertaken by the DPW. The Superintendent of Public Works is responsible for the administration and management of this department. Assisting him were five foremen who were charged with the responsibility of carrying out and completing various projects. The reports of these individuals can be found on subsequent pages. The work load undertaken by the DPW is worthy of praise and commendation.

In this Annual Town Report you will note that a number of departments are now responsible to, and fall under the general supervision of, the Town Administrator. The specific reports for each department will follow.

In September of 1973, work was begun in preparation of the 1974-75 fiscal year budget. Since the Town Administrator is required to prepare and submit a total budget package, new budgetary policies and procedures were implemented in conjunction with the Town Charter. This required a substantial amount of time from several individuals and necessitated the cooperation of various Boards. Further refinements in the budgetary process will be made in subsequent years in order that budgetary information may be meaningful to the public and bear a relationship to various Town programs. It is my objective to provide a meaningful document which can be readily understood and one that forecasts community services in terms of tax dollars.

As we approach the end of the 18-month budget, all remaining items as voted by the 1973 Town Meeting will have been completed, or nearing completion. This

While increasing the tax base is the tried and true method of reducing taxes, the amount of usable industrially zoned land in Walpole is minimal because of our peculiar topography. The Selectmen are using every available means to attract light industry, but other towns are also making every effort to do the same.

There are problems obvious to all that cry for solutions. Establishing priorities is the prime concern of the Selectmen. After that, with the aid of the Town Meeting, decisions will be made which will decide our future.

In closing, may we thank all those employees, boards, committees, commissions, and townspeople who unselfishly gave their time and whose aid proved invaluable in our attempt to make Walpole a town of which all could be proud.

will be the first time in a number of years that so many varying projects and expenditures have been undertaken and/or completed before the end of a fiscal period. My staff and I will make every attempt to provide for the same in the future.

During 1974, many innovative changes, proposals and projects will be undertaken and/or completed. The Management Systems Committee and its charge for designing and implementing a new financial management system is a prime example of what lies ahead. This particular item, as well as countless others, will require the cooperation and concerted effort of my office and the various departments under my jurisdiction, with and including the various elected and appointed officials, boards, agencies and/or committees.

This past year has been most enjoyable and I take this opportunity to thank the Board of Selectmen and the various other elected and appointed officials for their cooperation and support, and I look forward to the continued relationship which we have fostered in the past.

Once again, I would like to thank all Town employees for their assistance and interest in the work assigned.

Sketch by Lisa Maloney, Grade 5, Fisher School

Board of Appeal

Authority, Purpose, Responsibility

The Board of Appeal acts under the authority given it by Chapter 40-A of the General Laws of the Commonwealth of Massachusetts as well as the Zoning By-Laws of the Town of Walpole.

The Board of Appeal has jurisdiction over appeals from rulings of administrative officials of the Town made under the Zoning By-Laws or under the Building Code. Certain uses of premises require a Special Permit from the Board of Appeal. In addition the Board of Appeal has authority with respect to particular premises to authorize a variance from the terms of the applicable provision of the Zoning By-Laws in certain limited instances. These powers of the Board of Appeal are designed to provide a local tribunal familiar with local problems.

The Board acts only after a public hearing. Notice of the hearing must be published in a newspaper and also sent by mail to the petitioners and to the owners of all property deemed by the Board to be affected by the proceeding, including the abutters of the land in question and the owners of land next adjoining the land of the

abutters, and to the Planning Board. The Board's hearings are always public; and any person, whether entitled to a notice thereof or not, may appear in person or by agent or by attorney. When the Board has reached a decision on any matter, the decision is reduced to writing and filed with the Town Clerk, and notice of the decision is given to the persons believed entitled to notice of the hearing.

1973 Summary

During 1973, seventy-four cases were presented before the Board.

Miscellaneous Requests	3

Three cases are pending at the time of filing this report. The Board voted to take no action on one case.

The Board consulted with Town Counsel several times.

Town Counsel

The year 1973, as to the office of Town Counsel, was highlighted by virtue of the implementation of the new town charter and transition into the new municipal fiscal year.

As to the Town Charter, my office was able to be of assistance to committees and boards established by said charter, including mechanical problems that naturally arise whenever one is confronted with change.

In the area of litigation, a minimum number of cases are in litigation, thus reducing the case load which our

office normally has handled for the town. The number of appearances that I made for the town before administrative agencies in the commonwealth did increase, but did not affect the financial exposure to the town since the hearings related to current ecological problems in the main.

It is with deep gratitude that I extend my appreciation to all officials, committees, employees and citizens-at-large for their kind cooperation, understanding and assistance during the year.

Town Moderator

In the year 1973 your moderator conducted the Town Meetings, both annual and specials, and filled vacancies on various committees.

The meetings were conducted with efficiency and dispatch due more than anything to the dedicated effort of

the various Town elective boards and the Appropriation Committee. Especially worthy of mention are all of the Town Meeting members who gave so much of their time and ability to the resolution of the many articles in the various warrants presented for consideration.

Protection of Persons and Property

Police Department

The year 1973 saw an increase in "breaking and entering", acts of vandalism, needless acts of destroying property—especially on school buildings and business buildings, mostly stores. Your police department has had one of its best years in apprehending and bringing violators into court. In fact, eighteen individuals were caught inside buildings that they had broken into in order to commit a further act of burglary.

The drug problem remains. It has, however, diminished since last year, and we continue to use all of our means and facilities to curb it. We continue to aid youngsters and parents who have a drug problem where we can. But we also apprehend and make arrests where we have to.

In 1972 we applied for and were accepted to participate in "Topics" (Traffic Operations to Increase Capacity and Safety). This provides for an in depth, over-all study by expert traffic engineers as to what the needs are in the Town of Walpole, including such items as traffic lights and traffic patterns. The first three phases were approved, and actual physical work (surveying) is now underway. When all is implemented it should alleviate many of our problems and all implementations, installations and erections will be done at no cost to the Town.

The Police Pistol Team enjoyed another successful year. It competed in outside matches and exhibitions, winning team and individual honors.

In December of 1973 eight females were interviewed for the position of School Traffic Supervisors. This is a first for the Town of Walpole, for in the past all school crossings have been covered by male supervisors. The women should be supervising the crossings by February 1974.

On police prevention, which is our number one job, many acts of crime and violence were prevented by police intelligence, and stake-outs.

POLICE DEPT.

Sketch by Valerie McCormack, Grade 1, Fisher School

In the past year nine police officers attended colleges, taking courses that are police-related, and they are receiving credits for it. Many other police hours are spent at various seminars and meetings that are sponsored by the F.B.I., the District Attorney's office, the Attorney General's office, the State Police and other academies and schools.

In the past year, Walpole Police Officers were publicly commended for acts of bravery and courage in saving human lives and apprehending criminals. Your officers have also been commended by both the District and Superior Courts for presenting cases with clarity, good evidence and careful preparation. Officers are doing good police work day in and day out, in a quiet manner.

The "Emergency Care Program" which was set up and sponsored by the Walpole Police Department, was an overwhelming success. The response of the citizens who were interested in the new technique of the administration of "first aid" was most gratifying.

The traffic problems created by Schaeffer Stadium games in South Walpole Center and the immediate sur-

Stray Dogs Reported	74	59
Lost Dogs Reported	223	261
Dogs Struck by Motor Vehicles	72	75
Dogs Struck and Killed by Motor Vehicles	57	53

rounding areas seem now to be corrected and alleviated. This came about by studies, enforcement and by the erection of Tow Away signs. This has been costly to the Town which does not realize any monies from these events, which of course occur in the Town of Foxboro.

In concluding this portion of the police report, I want to say that we have room for improvement. Our role in law enforcement has drastically changed in the past few years. But we have kept up with these new problems. The department has grown from 18 officers to 32 in the past twelve years. We have increased our police vehicle count, have increased our communications; through additional radios and walkie talkies we have set up a special investigative bureau (detectives). Officers are attending colleges and other schools of police related programs to keep abreast with modern training methods and techniques.

We have applied and are constantly on the search for sophisticated police techniques and the necessary tools to do sophisticated police work. We apply scientific methods to investigations and research. And we are now on a computer system that affords us direct or indirect police coverage to other state and national law enforcement agencies.

We, the police, are in a unique position. We must uphold the laws as written, to protect everyone's freedom, given to all under our great Constitution. We must protect the weak and the strong, the minorities, the majorities, the lawful, and even the unlawful. For if we fail, all of society will fail and we will not recognize the way of living and the form of government that we have the distinct privilege of living under and enjoying today.

At this time I want to express my sincere appreciation to all Walpole town officials and boards, both past and present, who have helped and guided me in the performance of my duties. In addition I would like to express my thanks to those court, law-enforcement officials, and citizens who have assisted the Police Department.

Fire Department

The Department responded to 301 more calls this year than last as reflected in our firemen's salaries totaling \$82,371 as opposed to \$48,509 in 1972. April and October were our two busiest months with 104 calls in the latter month alone. June was our slowest month with 52 calls. Growth of the Town plus an increase in false alarms, plus a little spurt of grass and woods fires during April and October would, I suppose, account for the increase. If true—we can count on a similar increase in 1974.

False alarms more than doubled this year—89 as against 41 in 1972. It is ironic that the first and last alarms sounded for the year 1973 were both false. Twenty-two false alarms were pulled at the various schools, sixteen originating at the high school. A total of 536 man hours were involved at a cost to the Town of \$2734. These statistics do not include the many still alarms, boxes, and telephone calls for leaf fires and bomb scares at these schools. The remaining 67 false alarms throughout the Town totalled 1449 man hours with a bill for the Town at \$7390. Grand total—\$10,124.

Below I am listing a few fires occurring in the past year that might be of general interest.

- 2/ 4—Echo Inn, Main St.; probable arson; estimated damages, \$75,000.
- 2/12—Mass. Correctional Institution, Main St., 6 hours; riotous conditions with fires set by inmates.
- 2/17—Workman house, South St., accidental.
- 5/ 8—Hollingsworth and Vose, Washington St., probable arson.
- 5/13—New Stone School, Stone St., probable arson.
- 5/19—Mass. Correctional Institution, Main St., 6 hours, riotous conditions.
- 7/ 4—Walpole Public Library, valuable papers burned, probable arson.
- 7/26—Walpole Motel, Providence Hwy., accidental.
- 7/29—Hand house, Davis St., arson.
- 8/10—Hand house, Davis St., arson.

Sketch by David Webster, Grade 5, Plimpton School

8/31—Milbury house, Bird St., hit by lightning during furious storm—roof going good but knocked down fast.

10/30—Econo Tennis, Industrial Rd., arson.

12/ 2—A freight car filled with cotton bales near Railroad on East St. I mention this last fire only because it involved 7 hours on a Sunday afternoon of exhausting, dirty, grueling work in which approximately 60 huge water soaked bales of cotton had to be manhandled out of a freight car. Guess we can all think of better ways to spend a Sunday. It typifies, however, a side of fire-fighting that few people think of—the long, tiring, dirty, thankless hours spent wetting down after the spectacular part of the fire is out.

We received Mutual Aid 28 times in 1973. In turn, we responded to a number of Mutual Aid calls ourselves. Below are a few of the latter. All of these other than the first were spectacular and enormously costly.

2/ 9—Foxboro, apartment house fire.

4/18—Wrentham, State School.

5/13—Norwood, Endean Farm.

9/19—Norwood Gardens Complex, estimated damages \$100,000.

9/29—Norwood, Atlantic properties.

10/14—Chelsea, no comment necessary.

11/20—Foxboro, Lord Fox on Route 1.

It is difficult to estimate what percentage of fires are due to arson but you can be sure the figure is high. The anguish cost and property lost are incalculable. Most of the above fires were attributed to this cause.

I have again this year submitted my request for 11 permanent men. We really need them in spite of the fact that we unquestionably have the best Call Department in the history of the Town.

As to departmental changes:

1/ 4—Harvey Rudolph, Station 3, was forced to resign due to a change of job.

1/11—David Conley and Steele Lightbody were appointed Call men at Station 1 to fill existing vacancies.

1/11—Edward Utorka, the same, but appointed to Station 2.

3/12—Gerard Murphy appointed to Station 3 to fill vacancy created by Harvey Rudolph's departure.

11/19—Captain Harley Bowden was promoted to rank of District Chief; Lieutenant David Jenks was promoted to rank of Captain; Private Arthur Wentworth was promoted to rank of Lieutenant.

I was fortunate in being able to attend the New England Association of Fire Chiefs' Conference in Bretton Woods, N. H., in June and the International Association of Fire Chiefs' Conference in Baltimore, Md., in September. These are always learning experiences due to

Fire officials inspect the Echo Inn on Route 1A after flames gutted the kitchen and third floor. Firefighters from three towns fought the five-hour blazed which caused damages in excess of \$75,000. (Photo by Kenneth F. McLean).

the informative programs offered. Because of the new hospital planned for our town, I was especially interested in the program dealing with high-rise building fires—high-rise being any building higher than your highest ladder. And on this count the hospital will qualify.

The fire training program continued this year under the capable guidance of Assistant Chief Chester Donnell with our regular weekly sessions during the good weather months. Basic training was provided for the new members and advanced training for those so inclined. The State presented a fire training course one night a week for twelve weeks in the fall. This course was for the Fire Departments in Norfolk County and the following men from our department attended:

Captain David Jenks and Lieutenant William Dowd; Privates: Thomas Buttmer, Merrill Jenks, Frederick Weinkauf, Sanford Hamilton, Edward Utorka, David Conley, Steele Lightbody, Gerard Murphy.

With the large increase in fire calls for the year, our on-the-job training was greatly enhanced. This type of training does two things that are hard to duplicate. First it provides learning by operating under actual fire conditions and second, it instills confidence in the men to tackle any situation.

Numerous injuries were sustained by various firemen in 1973. Only two were of any particular consequence, however. Private David Conley sustained a ruptured hernia in April and Lieutenant Ernest Manocchio was the

victim of a hit-run accident at the Lord Fox fire on Route 1 in November in which he received a broken leg plus multiple injuries.

In compliance with our apparatus replacement program, bids were submitted for a new pumping engine and a forestry piece in November. Hopefully these will be delivered sometime in 1974. The forestry piece replaces a 1961 truck and the pumping engine replaces a 1957 truck.

The fire whistle is being tested at 6:30 a.m. and 6:30 p.m. daily.

Alarm Statistics

	1972	1973
Sounded Over the Fire Alarm System	367	632

FIRE ALARM MAINTENANCE

Two new master fire alarm boxes were added to our system during the year, Box 3113 at the Town Hall and Box 4213 at the Americana Restaurant on Main Street. There are now 162 boxes connected to our alarm facilities.

We spent 264 manhours on system maintenance, testing, repairs, inspections and records and 470 hours on emergency work and changes due to expansion of utility company plant. In addition, there were 488 manhours expended on alarm circuit construction resulting in final completion of the alarm circuits to both outlying fire stations from our central system.

The continuation of our preventive maintenance program has again resulted in a minimum of circuit interruptions and troubles on our entire system. This is as it should be if we are to provide the proper protection for persons and property.

A total of 632 alarms were sounded to call department personnel during the year. This was an increase of approximately 70% over 1972. The greater number of alarms has resulted in a marked increase in maintenance costs for whistle valves, compressors, radios, registers and related items.

Of particular concern in the more than 100% increase in all types of false alarms, especially alarms from master boxes on all types of buildings. Approximately 25% of the master box false alarms from buildings were received from the Senior High School.

Approximately 75% of all outside boxes have been revamped to increase speed and to provide more positive operation. This work is done as conditions permit in conjunction with our normal testing and checking of all boxes on a regular maintenance basis.

Board of Health

The Board of Selectmen in past years acted as the Board of Health. In accordance with Article III, Section 3-2 (c) of the Town Charter, the Board of Selectmen appointed the following from a list of applicants to act as the Board of Health:

Elizabeth Gatturna, R.N.	April 1, 1974
Donald R. Weber	April 1, 1975
LeRoy P. Jones	April 1, 1975
William F. Lawless	April 1, 1976
Edward A. Sweeney, D.M.D.	April 1, 1976

The Board of Health held its first meeting at 8:10 p.m. on April 5, 1973. Edward A. Sweeney, D.M.D., was elected Chairman and Elizabeth Gatturna, R.N., Secretary. It was agreed that regular meetings would be held in the Board of Health office on second and fourth Tuesdays.

The responsibilities of the Board of Health include many matters which affect the health of our citizens. Emphasis is upon providing healthful conditions in the Town by taking such measures that protect the whole-

someness of food, air and water, control the spread of communicable diseases from man or animals and remove health hazards from the environment.

The following have assisted the Board during the year:

Robert S. Bocwinski, Town Administrator, Health Agent;
Harold M. Groden, M.D., Health Officer;
F. R. Morrissette, R.S., Town Sanitarian;
George E. Yetman, Milk Inspector;
Aurelia M. Newell, R.N., Public Health Nurse,
Walpole V.N.A.

Sketch by Kerry Riess, Grade 6, Old Post Road School

Mr. George E. Yetman, who had served as Milk Inspector since 1958, resigned effective Jan. 1, 1974. The Town Sanitarian, F. R. Morrissette, was appointed and will include this as a part of his Sanitarian responsibilities. Mr. Yetman served the Town faithfully for many years and the Board regrets his resignation.

Clinics administered in the Town are described in the Walpole Visiting Nurse Association report.

License and permits issued:

Food Service Establishment Permits	49
Food Retail Establishment Permits	16
Animal Permits	55

Complaints received concerned overflowing septic systems, drainage problems and a few illegal rubbish storages.

Environmental surveillance conducted during the year were part of the water sampling of streams for pollution and storage of refuse near stores and industrial establishments. There was no need for any legal action.

The Town Sanitarian assisted frequently in locating septic systems for residents. Plans of all septic systems constructed since July 1, 1969 are on file in the Board of Health office.

The Board of Health has included funds in the 1974-1975 budget for a full time registered Sanitarian. If this is approved by a vote of the Town Meeting, a minimum quarterly inspection of all food serving establishments will be possible. Dye testing of septic systems where pollution of streams and ponds are suspected, can be done. This has been neglected since the present Town Sanitarian is a part-time employee.

Sanitarian Report

Consultations relative to local sewage disposal	42
Food service inspections	80
Retail food store inspections	30
Investigations of complaints of substandard housing	6
Consultations and surveys regarding sub-division approval	6
Percolation test and strata pit observed for septic permit approval	64

Approval of sewage disposal systems for backfill	47
Investigation of drainage complaints	15
Investigation of complaints regarding quality of Town water	14
Inspection of day camps	3
Investigation of bat infestations	1
Inspection of lodging houses	1

Visiting Nurse Association

The Walpole Visiting Nurse Association was established in 1909 by members of the Walpole Woman's Club. The purpose then and now, 64 years later, is to provide skilled nursing and to teach the fundamentals of maintaining a satisfactory level of "wellness" to all residents in the town of Walpole. In the intervening years, the Directors and nurses have been constantly aware and responsive to increasing community needs, demands for expansion of existing programs and establishing new services to provide comprehensive community health care. Skilled nursing services with emphasis on rehabilitation have been augmented by therapeutic services. Physical therapy, speech therapy and occupational

therapy have been available to patients in their home or at the Norwood Hospital since 1967.

In July a Homemaker-Home Health Aide service was launched to assist a patient to his full rehabilitation.

Since its inception the agency has not only assumed the responsibility for the necessary home nursing services but also the public health nursing program for the Walpole Board of Health. Individuals or families in crisis are assisted in obtaining medical, mental health care, as well as aid with financial problems, housing, clothing, food and transportation.

Many of the services provided are possible through the compassion and generosity of many individuals and organizations. In 1973 the Rotary Club and the Salvation Army were instrumental in sending nine children to summer camp. For the holiday season a total of 42 individuals were remembered: 24 children, 11 Senior Citizens, 2 homebound patients and 5 mothers. We are most grateful to the Lions' Club, the three Women's Circles of the Methodist Church, St. Vincent DePaul, Salvation Army, Lend-a-Hand Club, teachers from two public schools, Girl Scouts, church groups, merchants and private citizens.

The Board of Health and the V.N.A. work cooperatively in disease prevention programs. A Breast Self Examination Clinic was sponsored with the assistance of the American Cancer Society. A total of sixty-eight women attended and thirteen were referred for additional medical supervision. In October and November, three Immunization Clinics for children two years and older were held under the supervision of Dr. Groden. For the first time all the vaccines were available so that a child could meet all the requirements for complete immunization. The Board of Health has voted that an annual immunization clinic will be held in May at the time of school registration. Additional clinics can be scheduled if there is a demand in the community.

At the recommendation of the State Department of Public Health four Flu Clinics were planned for all residents over 21 years of age. Unfortunately, the lack of vaccine did not allow this. On October 15, a clinic was held at Blackburn Hall in the afternoon and evening and 780 Bivalent Fluax injections were given. (All that was available to us.) Only 200 doses of Monovalent Fluax were obtained for the second clinic and it was essential that priority be given to the elderly and to citizens afflicted with a chronic disease. From necessity the second general clinic had to be cancelled. Several small clinics were held at the Senior Citizens' Center and in the office as vaccine became available—at no time sufficient to cover all residents.

The Geriatric Clinic continues to be well attended and shows a total of 490 visits for the year. It is held every Tuesday at the Senior Citizens' Center for any resident in Walpole who is over 60 years of age.

Procedures in the T. B. Control Program have changed drastically this year. Norfolk County Hospital will continue to offer chest x-rays without charge, but it is required that appointments be made through the local Board of Health, Public Nursing Department—668-1066. It is recommended that prior to going to the clinic a Tuberculosis Skin Test be done locally, a service provided by the Board of Health Nursing Department. For the past three years Walpole has been designated as a low risk area. No active case of Tuberculosis has been reported to the Board of Health for four years. However, we continue our vigilance and in cooperation with the school department comply with the state law to test all school personnel no matter how infrequently they are in contact with the children.

We have continued to visit new mothers and babies referred by local hospitals and have provided supportive

Visiting Nurse

Sketch by Bridget Boylan, Grade 4, Fisher School

services as needed. It is of interest to note a drop of 100 visits in this category.

This year we have had no established program with Medfield State Hospital for their discharged patients in the community. However, they have provided a community psychiatric nurse who is available for consultations and who does give supportive care when needed.

Peabody School utilized our agency again this year to provide a day of observation in Public Health Nursing. We hope they found their experience as profitable as we found it enjoyable.

A total of eight referrals were made by the agency to the Walpole Emergency Medical Aid Fund providing some relief from financial stress during crises.

We wish to thank the Maintenance Department of the town for transporting heavy equipment from our loan closet to patients' homes. Various types of medical equipment are available without charge to any resident of Walpole who is unable to obtain these items through insurance. Eighty pieces of equipment were loaned this year.

Of importance not only to the agency but to the town is our compliance with all federal government standards which entitles us to participate in Medicare and Medicaid Programs. We successfully met the demands of the Utilization Review Board of Blue Cross-Blue Shield.

Following is a statistical picture of some of our services:

Total Visits—Public Health and Bedside Nursing				3669
Home Visits			2867	
Office Visits			802	
		Persons	Visits	
Maternal and Child Health			206	258
Adult Health Promotion			98	375

Geriatric			148	490
Breast Self Examination			68	68
Immunization—Children			62	92*
Flu—Bivalent				827*
Monovalent				337*

* Vaccine Injections

Walpole Chapter, American Red Cross

The year 1973 marks the 50th anniversary of the Walpole Chapter, ARC. While we were active during World War I, the charter was not granted until 1923.

A total of 890 pints of blood were collected in Walpole during 1973. As usual, our cost of the Blood Program was over \$1000. The Canteen, Nurses and Registrars are a tremendous help in making the Bloodmobiles run smoothly.

About 1200 children participated in the swimming program at the Walpole pools. Two applications were received for Red Cross Aquatic School, but as one girl was under age, only one was accepted. She was trained to be a Water Safety Instructor at a cost to the Chapter of \$80.00 for the ten day period.

Requests for Service to Military Families has decreased considerably. However, as there are still many men and women in the service, Red Cross is on a 24 hour stand-by to assist servicemen and their families.

Once again the federal government is providing Red Cross chapters an opportunity to participate in a nationwide project to supplement the income of an estimated 2,500,000 persons, the underprivileged aged, blind and

disabled citizens. The new program, known as Supplement Security Income-Alert, will assure that anyone 65 or older or blind or disabled can have a basic cash income—for one person at least \$130 a month and for a married couple, at least \$195. The need for volunteers to carry out this project is great.

Sketch by Mike Brown, Grade 4, Old Post Road School

Council on Aging

In the year 1973, the Council on Aging expanded its activities into several new areas of concern for senior citizens. The Council was proud to receive a citation of commendation from Dr. Arthur S. Fleming, Chairman of the Federal Commission of Aging, for the participation of the Council in the Federal Food Stamp program, "Project Find". With the combined efforts of the Walpole Chapter of the Red Cross, the Mass. Dept. of Welfare, and the Council on Aging, many Walpole senior citizens became eligible for the federal Food Stamp program.

In 1973, new Medical services were offered in addition to the weekly Visiting Nurses' Clinic. An eye screening examination was sponsored by the Walpole Lions Club, and a Pulmonary Function Clinic was held at the Norwood Hospital with both clinics offered free to Walpole senior citizens. The Medfield State Hospital initiated a low cost program of physical examinations and laboratory tests. As part of the area served by the Medfield Hospital, Walpole accepted this program and provided transportation to all who needed it. The annual Influenza Immunization Clinic served 267 senior citizens.

Several local organizations were very helpful in starting new programs this year. The Christian Service Com-

mission of the Blessed Sacrament Church provided transportation to the senior citizens, and made regular visits to the sick and shut-ins. The youth of the Commission offered their help to the elderly, especially the handicapped, in the cleaning of cellars and yards, snow shoveling, and washing windows.

The Walpole Arts Council provided two instructors twice monthly, for handcraft lessons. Mr. Alfred Lazzeri and a group of high school students helped with making Christmas papier mache figurines and favors, which were delivered to local Nursing Homes.

The monthly newsletter, "GOOD NEWS" has grown in circulation from a monthly mailing list of 85 to 435, and is still increasing at the rate of 10 members per month.

The use of the Drop-In Center at Blackburn Hall continued to grow and attendance at the monthly business meeting has also increased. In 1973 over 5000 people signed the daily register at the Center. The continued growth of the use of the Drop-In Center is a great satisfaction to all who have worked to make it such a comfortable meeting place.

Bowling, monthly movies, whist parties, cribbage tournament, daily card and pool games continued to

attract many participants. The White Elephant Sale in September and the annual Hobby Show and Exhibit in November were very successful.

Special events during the year included a Valentine Party at the V.F.W., a Christmas Party sponsored by Roche Brothers, a Foliage Trip to the Mohawk Trail, Red Sox Baseball Games at Fenway Park, a boat trip to Provincetown, and a shopping trip to South Shore Plaza.

The Council on Aging would like to acknowledge that without the generosity and good will of the fraternal organizations, clubs, and citizen volunteers of Walpole, much of what has been accomplished would not have been possible. We would like to extend a sincere thank you to all town officials, townspeople and organizations. We look forward to continued growth and improvement in all areas in the year 1974.

Norwood-Walpole Area Board of Health

"Prospectus"

The primary responsibility of this board is to evaluate and improve mental health and retardation services in the towns of Walpole, Canton, Dedham, Medfield, Needham, Norfolk, Norwood, Plainville, Sharon, Westwood and Wrentham.

This prospectus is submitted for consideration and adjustment by the Board of Selectmen and the Finance Committee. Each prospectus has built into it the possibility of funding by other sources of funding at the termination of general revenue sharing.

Program for the elderly and youth: Selected high school students would make a daily telephone call to a number of elderly persons who would be picked on the basis of their inability to take part in outside activities. Students would visit their person twice a week for a talk break. This could be combined with a meals on wheels program. By developing a buddy system the elderly person has someone to talk with and share views with and the young person gains a feeling of responsibility and the elderly person has contact with the outside world.

Night and weekend emergency service: To provide service including possible life saving crisis intervention

between the hours of 5:00 p.m. and 9:00 a.m. to persons with problems that may develop into crises.

Vocational Training Center for the retarded: To be sponsored by the South Norfolk County Association for Retarded Citizens to provide service to area towns. The Center will provide for from 8 to 10 clients with eventual expansion to 25 to 30 clients. Parents will play a vital role in the program which will see that each mentally retarded citizen has the opportunity to develop to his fullest potential. The program will provide an industrial setting that stimulates a competitive work situation; training opportunities through sub-contract work; job-related instruction; enhancement of general social and living skills and training for self care; assistance in job placement in the community; follow-up service after placement.

Youth program: To train high school students to become positive role models for junior high school students, and the latter for elementary school students whose parents, because of problems with alcohol, drugs, mental problems and the like are negative role models for the child. The participating "model" students would receive a nominal fee for their work as well as a social service course credit.

Department of Veterans' Services

The year 1973 brought an end to United States involvement in the Viet Nam War, the release of our prisoners of war, and a reduction of personnel in the armed forces. All these facts add up to an increase in our "Veteran" population. The Veterans' Administration claims that V.A. Benefits and services are potentially available to 47.1 percent of our Nation's population, either directly to Veterans and surviving dependents, or indirectly to members of Veterans' families.

There was a substantial increase in all phases of our Services. We assisted in filing for burial allowances, widow and children's pensions, grave markers, non-service connected pensions, service connected compensations,

annual income questionnaires, insurance claims and educational enrollments.

During 1973 Veteran Administration awards to veterans, widows and children amounting to \$36,981.60 were processed through our office. This figure does not include Education Assistance Allowances.

During 1973, \$41,419.51 was expended for 45 Veterans and their families, under the provision of the Veterans' Assistance program, provided for under Chapter 115 of the General Laws of the Commonwealth of Massachusetts.

During 1973 the Department of Veterans' Services became registrars for the Selective Service System.

Defense Civil Preparedness Agency

Sketch by Robert Carlson, Grade 1, Fisher School

After four years of successful service to the Town, Mr. William N. Ring's business activities required him to resign as director. Mr. Ring remains a member of the advisory board. Roger F. Turner, Jr., was appointed director.

A new warning siren was delivered and will be installed near the center of town. With many thanks to the New England Telephone Company, the Civil Defense Communications Center is now located in their building at the corner of Stone and School Streets.

The auxiliary police have been active in their various assigned duties. An up-dating of the Nurses' Telephone Alert System has been completed and the disaster nurse teams remain in a state of readiness. With many thanks to the town garage personnel, the Civil Defense van is kept up-to-snuff.

The town is active in Sector Meetings, Communications, and Warning Drills.

Cemetery Commission

Newly organized under the new town charter, the commission was formed in March 1973. It has jurisdiction over the four town cemeteries. The superintendent is charged with the daily management of the cemeteries and the employees.

The objective of the commission is to oversee the burial facilities, establish the budget, insure that proper rules are in order, fix prices, and plan for the future needs of the town.

Animal Inspector

All premises, where livestock is kept, have been visited and inspected in compliance with the regulations of the Division of Animal Health. New animals from outside the state, entering herds, have been inspected. All re-

ported dog bites have been investigated and quarantine regulations carried out.

No positive cases of Rabies were found.

Dog Officer

Total dogs licensed to date	1875
Complaints received and answered	232
Stray dogs picked up	59
Stray dogs returned to owners	21
Dogs reported lost	261

Norfolk County Mosquito Control Project

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Walpole for the year ending December 31, 1973.

Pre-hatch dust larvicide by backpack	23 acres
Aerial applied larvicide	2110 acres
Larvicide by backpack and mistblowers	170 acres
Catch basin application for larvicide and adulticide	125
Adulticide mistblowing from trucks	8852 acres
Group U.L.V. adulticide application	1152 acres
Drainage ditches cleaned	13,895 feet
Brush obstructing drainage cut	1610 feet
Culverts cleaned and opened	54
Drainage ditch construction	960 feet
Recorded calls for information and assistance	179

A regional, organized, coordinated effort to combat the nuisance and menace of mosquitoes. Created under Chapter 341 of the acts of 1956. Twenty-two member towns: Avon, Bellingham, Canton, Dedham, Dover, Foxboro, Franklin, Holbrook, Medfield, Medway, Millis, Milton, Needham, Norfolk, Norwood, Plainville, Randolph, Sharon, Stoughton, Walpole, Westwood and Wrentham.

Year Around Project Activities

Pre-hatch dust application, by backpack	
Overhaul completely all vehicles and equipment	
Cut growth in way of drainage construction	
Prepare programs, compile maps, training	
Helicopter applied larvicide application	
Larvicide by backpack and powered equipment	
Adulticide mistblowing from Project trucks	
Adulticide U.L.V. application from helicopter	
Adulticide U.L.V. application from trucks	
Larvicide and adulticide catch basins	
Drainage ditches cleaned, debris removed	
Culverts inspected, obstructions removed	
Brush obstructing drainage cut, removed	
Drainage construction with wide-track equipment	
Work force variance	
Project vehicles—equipment units deployed	
Helicopters available, Project supervised

Heritage

Walpole Historical Commission

Walpole Historical Commission feels it has made progress in its goals to catalog the historical resources of the town and publicize as much as possible, its goals to preserve these resources.

The inventories submitted to the State Historical Commission exceeded the number requested for the year, and were reported by the State to be of very good quality.

An inventory of a house or site includes a capsule history of the house including at least an approximate date built, builder if known, present owner, style of architecture, an identifying photograph and an area map on which the location of the house is pinpointed.

Information is secured from Town histories, word of mouth, and present or past occupants.

These inventories are filed with the State for reference purposes. If a road or shopping area is proposed, it is possible to identify significant historical sites or areas which might be affected. Due consideration then can be given to their value to the Town or State. Necessary steps may then be taken to protect the area from destruction or other damage.

The Commission took an active part along with the Historical Society in negotiations with Colgate-Palmolive Company, Kendall Company Division, regarding the so-called red and white houses on the Common. Although the white house later was demolished, negotiations for the red house have progressed well and we hope the Historical Society will have a home there in time to participate in the 250th Anniversary Celebration in 1974.

We have obtained permission, and placed identifying markers on sixteen houses in the Town, and plan to add more as time and investigation permits.

Various members of the Commission have attended seminars at three separate times and places this year. Although a lot of the information is repetitive, each meeting has given us an additional amount of education on what can and should be done by the Commission as well as many things which we cannot do.

As the direct result of a discussion at one of these seminars we have begun to collect material for a slide

lecture or lectures which can be shown at clubs and schools, and also used for historical records of the Town. We are approaching this from an interesting aspect and it could be the most significant step so far to bring to public attention the interesting very early development of Walpole, the evolution into the Walpole we know today, and perhaps some insight into the Walpole we may want for tomorrow.

Your Chairman has not so much led, as been spurred on in the work of the Commission by the enthusiasm, knowledge and assistance of a fine Committee. Time for research remains our greatest problem.

As a direct result of the publicity of the Commission, several present residents of the Town have contributed historical information about their homes. One former resident, a member of one of Walpole's oldest families, has now compiled a family history and offered copies to the Commission and the Historical Society. Such interest shows the growing awareness of our heritage and can be seen in almost every part of our country.

The clock atop Bird Hall in East Walpole. (Photo submitted by Christine Dresner).

250th Anniversary Committee

The inhabitants in the southern area of the town of Dedham sought the establishment of the town of Walpole as early as 1721. However, it was not until 1724 that the Great and General Court enacted legislation setting the saw-mill village apart from the mother-town and authorized the residents to erect a meeting house.

The Board of Selectmen appointed Edward J. Delaney as General Chairman of the 250th Anniversary Committee to organize suitable events and activity in celebration of its historic birthday. Mr. Delaney named six residents to serve on the committee and they incorporated themselves in order to conduct the business of planning and carrying out the centennial schedule of events. The officers are: Edward J. Delaney, president; Willis D. McLean, vice president; J. Chauncey Smith, vice president; Louis E. Hoegler, Jr., secretary; Richard F. Cashen, treasurer; Richard Cleveland and Edward A. Lamore, directors, and are henceforth known as the General Committee.

The General Committee named the following individuals to serve as chairmen of designated committees: Guy Silvi, anniversary headquarters; William Crown, anniversary Queen; J. Chauncey Smith, athletic and recreational events; Richard and Elaine Cleveland, ball and banquet; Joseph Gallo, beautification; Mario A. Boragine, communications; Mrs. John Ryan, cultural; Harold LeBlanc, educational; Chief Robert M. Gardner, fire protection; Mrs. Clifford C. Cottrell, history; Mrs. Mabel Hart and Mrs. Sue Jackson, homecoming; Norman Desprez, parade; Mrs. Richard H. Holman, publicity; Rev. John A. Griswold, religious; Chief William Haggblom, security; Robert Davis, souvenirs. The General Committee has the responsibility of producing a centennial coin. The Honorary Committee is composed of all former selectmen.

250th Anniversary Commemorative Coin. The reverse of the coin was designed by Anne Miloszewski, Class of 1973, Walpole High School.

The committees have been working diligently to make the coming centennial observance a memorable one and have selected events to take place on Saturday, May 4—Miss Walpole contest; Saturday, May 18—Centennial Parade (rain date May 25); Wednesday, July 3—Night Before the 4th; Saturday, Sept. 7—Homecoming Day, and Friday, Sept. 20—banquet and ball.

Townpeople are encouraged to participate in the announced activity and all proposed events yet to be announced. Contact your civic and social groups and learn what they are planning for the coming year. There are costumes and floats to be prepared and assignments to be carried out. It will be a fun year so all join in the industry of preparing for '74.

Natural Resources - Recreation

Conservation Commission

The Conservation Commission is charged with the protection and preservation of the natural resources of the Town of Walpole and the promotion of the environmental quality of these resources. The Commission's continuing goal is the preservation of Walpole—as a town with room in which to move and breathe, with woods and fields in which to roam, with open spaces within easy reach of all.

To implement this goal the Commission has placed major emphasis on land acquisition. Since our last report three parcels of land totaling 36.4 acres have been generously donated to the town by Miss Ann Bird, Mr. George Thibeault, and the late Mr. Winslow Warren, former member of the Commission. While the Commission did not purchase any land in the past year it was very active arranging for the transfer of at least six parcels of land to take place in 1974.

Since September of 1972 the Commission has given a great deal of study and consideration to the new Wetlands Protection Act (Massachusetts General Laws, c 131 sec. 40, effective October 1972) which is a combination of the Hatch and Jones Acts. Designed to help control the filling and altering of inland wetlands, the amended Hatch Act gives all Conservation Commissions direct regulatory powers over land development which could significantly damage the environment. While the Wetlands Protection Act does not allow the Commission to prohibit building on a given piece of land (this can only be accomplished through protective zoning or purchase of the land or a conservation restriction) it does give it the power to impose conditions on the use of the

Town Forest; Sketch by Tommy Gemelli, Grade 5, Bird School. land, so as to minimize the potential for environmental damage.

As of the end of 1973 the Commission has 477 acres under its care; of this land 48% was purchased with some financial aid from the state, 22% was donated and 30%—chiefly in Cedar Swamp—was transferred to the Commission by the town.

In future years the Commission hopes to establish "green belts" within the town for the use and pleasure of its inhabitants, to become more active in management and maintenance of lands in its custody, to protect the town's water sheds and hopefully to develop an environmental awareness in the residents of our town.

Recreation Director

The year 1973 was a good year in Walpole's ever increasing programs.

The Central Pool area saw many welcome changes. The Red Cross swimming lessons were heavily attended, with over a thousand children, ages three to eighteen, receiving swimming instruction and Junior and Senior Lifesaving. An Aquatic Art class was offered at the Central Pool, along with a Scuba Diving course.

The Competitive Swim Team program continued to be a very popular and well attended summer and winter program. The Competitive Swim Team is in operation for 44 weeks. Winter swimming is conducted at the Wrentham State School Pool and the summer program at the Central Pool.

Summer Tennis Instruction for children was held every morning for 9 weeks as well as a small tourna-

ment. This program provided recreation for boys and girls, 6 to 16, and as usual was very well attended with over one hundred children participating.

The Adult Tennis Instruction was conducted on Monday and Tuesday evening from 6:30 to 8 p.m. This program was in operation for nine weeks and attendance was excellent with over 80 participants. The newly installed lights at the courts brought out many a tennis buff. Town Tournaments were also conducted.

Playgrounds throughout the Town operated Monday through Friday, 9 to 4 p.m., offering a variety of fun and games for school age children. Arts and Crafts were offered at each playground once a week. Rainy days were taken care of by indoor games at the Blackburn Memorial Hall.

Ice Skating sessions were held at the Four Seasons Arena for all school age children during the fall and spring. This course ran for 8 to 10 weeks on Monday and Wednesday afternoons from 3:30 to 4:30 p.m. Basic fundamentals of skating were taught and there were Figure Skating Drills for the more advanced skaters. This program was well attended and one of the children's favorites.

The Boys' Soccer Program began its second summer of intramural games. This program runs for 6 weeks during July and August. The fundamentals of soccer were taught, teams were formed and games were played twice weekly. This sport has proved a great conditioner for fall sports. Winter Recreation programs for adults consist of basketball, volleyball and badminton, on Wednesday evenings at the Senior High School from 7:30 to 9:30 p.m., November through April. Tennis Instruction is taught at the East Junior High on Wednesday evening from 7 to 8 p.m. This course runs for 12 weeks, starting in November and finishing in February.

The following programs are available to Walpole residents and are privately run: "Youth Hockey", Baton Twirling, Pop Warner Football, Drill Team, Bicycle Club, Tennis Club, Arts Council, Little League Baseball, Senior League Baseball, and Men's Softball.

The Recreation Department will assist any citizen looking for specialized programs. I would like to thank all the Recreation Department employees and other Town Departments for the wonderful cooperation which helped insure the efficiency and successes of this year's programs.

Women on the Move, Walpole High School

Recreation Advisory Committee

It is the intent of the Recreation Committee to make better use of the Town's Recreation facilities and to improve those facilities and/or construct new facilities in order to satisfy the recreational needs of both young and old of our town. We are concerned with both active and passive recreation and hope to convince the leaders of our community of the importance of maintaining the very best in recreation equipment and facilities. Finally, we also try to act as a sounding board for new ideas in the recreational field. In the short time we have been in office the town, at our request, has sponsored Boys' Youth Basketball and Girls' Gymnastics and hopefully other programs will be initiated as they are brought to our attention.

Education

Public Library

Although 1973 has not been particularly outstanding at the library, some innovations have been made and the library's primary business of selecting, procuring, cataloging, caring for and lending books, recordings, pamphlets, films and magazines continues a steady increase, although there is no way to actually measure total library usage. Doing research, browsing in the various collections, reading magazines and newspapers in the reading areas, looking at exhibits, having Xerox copies made or just plain studying at library tables and carrels are all constant activities that can not be counted statistically.

Two disturbing and distressing events occurred at the Main Library and point up a need for stronger security precautions, particularly in the older section of the building. The library was broken into, burglarized and vandalized twice, once in March and again on July Fourth when a bonfire was built in the adult reading room. The fire destroyed the library's collection of Walpole materials; two histories of the town, annual reports going back into the 1800's, street listings and reports of various town committees. Fortunately, a smoke and heat detection device in the ceiling alerted the fire department, whose quick, efficient action confined the fire and water damage to a small area of the room.

Within two weeks an excellent crew from the Building Repair Department had the room back in what was actually better condition than it had been.

Both the Fire Department and the Building Repair Department deserve thankful commendations for the efficiency and high quality of their skills.

Beginning in March, catalog cards for new purchases have been exchanged regularly between the public library and the school libraries or media center. Cards for items not held by the public library are filed in its subject and author catalogs and vice versa at the Central Media Services union catalog. This means that interested persons using either catalog has access to the entire resources of both systems. For example, a borrower checking the public library may discover that what he is looking for is in the school collection, then arrangements can be made to get the material for the borrower.

Moreover, duplicate cards for the entire professional

educations collection at the Media Services Center have been added to the Main Library catalog. The Media Services will be the principal collector for this type of material while the public library will buy only sparingly in this field, and then mainly items of interest to concerned people. This arrangement helps avoid unnecessary duplication while making available the entire resources of both systems to all the townspeople. Hopefully, this arrangement will be extended into other areas, particularly periodicals.

The Walpole Arts Council continued its program of exhibiting the work of Walpole artists in the Main Library adult reading room. The many interesting well executed works have been well received by library users and visitors. The council has also held several programs in the multipurpose room which continues to be in demand by local groups.

In a related matter, the library has purchased a two-card membership in the Museum of Fine Arts in Boston. These cards may be borrowed, like a book, and entitle the borrower to admission to the museum and a discount at the museum's sales desk.

Two retirements and a death have brought about a number of staff changes in addition to the usual turnover in the group of high school age pages.

At the Main Library, Mary Lynch retired in November. Miss Lynch had been a member of the library staff since 1957, primarily as an assistant at the adult charging desk.

In December, Gabrielle Tremblay retired from the position of North Walpole Branch Librarian she had held since 1962. Ruth Mahan, an assistant at North since 1965, has been named to succeed her, and Barbara Carlson has become the new North assistant.

It is always sad to see long time, respected and well-liked colleagues leave the library service, but a high calibre staff remains.

Also in December, Kathleen Barney died following an automobile accident on Christmas Eve. On the library staff since 1962, Mrs. Barney was a desk assistant at North Walpole Branch and in the adult department of the Main Library.

Various members of the staff attended meetings of library groups and organizations and have brought back helpful ideas and suggestions. Also, Mrs. Parasco has been named a committee chairman in the Old Colony Library Club.

The Children's Department has led its usual busy, active year. A number of classes from various schools and kindergartens have visited the Main Library children's room, some to be introduced to the library, and many others to do library research for their studies.

A winter series of story hours was conducted at the Main Library by three Children's Room pages who took turns being in charge in a program of mutual benefit to the storytellers and their young listeners.

In May, Channing Reeves gave another of his popular cartoon drawing sessions. The attending children loved it and their work made an interesting and colorful exhibit in the children's room. In a gesture of appreciation for Mr. Reeves' generosity in giving of his time and talent both this year and last, three books on drawing were purchased for the juvenile collection and were dedicated to him.

This year's summer reading program was called "The Farm Animals Reading Game". To add a little spice to the program and to foster team spirit and lessen comparison between individual children, the readers were divided into two teams, "Mr. McGregor" and "Mrs. Piggie Wiggle". Weekly scores were published in THE WALPOLE TIMES and, for the record, Mr. McGregor's team made the highest score. All told, 408 children participated in the program, which is designed to foster reading for pleasure.

LIBRARY

Sketch by Heather MacIvor, Grade 3, Old Post Road School

The annual children's book fair was held the week of Oct. 29 - Nov. 3 in the multi-purpose room. An estimated 800 persons visited the book fair. The book fair provides an opportunity for interested readers of all ages to see the library's newest children's books before they are absorbed into the circulating collection.

The popularity the children's book fair has acquired over the years raises the question as to whether a similar program for adults would be feasible or desirable. Of course, new adult books are shelved separately in the new book sections for about eight months, but they are not visible at the same time because they may be borrowed.

School Department

Superintendent's Report

Schools opened on September 6, 1973 with an opening enrollment of 5073 served by 328 professional staff members. A comparative distribution of students by level of instruction indicates the decline in grade one enrollment (noted last year) offset by the opening of the Kindergarten program and the steady growth of enrollment at both Junior and Senior High School levels.

	1969	1970	1971	1972	1973
Elementary	2380	2358	2334	2347	2571
Junior High	1349	1314	1288	1271	1278
Senior High	1012	1053	1133	1179	1224
Totals	4641	4725	4755	4797	5073

Enrollment projections accomplished soon after the beginning of the school year further indicate a present trend for slightly decreasing enrollment at the elementary level, again in the lower primary grades, and relatively stable enrollment at the Junior and Senior High School levels.

The number of pupils enrolled in each of the schools as of September 6, 1973 was as follows:

Bird Grades 1-6	386
Boyden Grades 1-6	342
Fisher Grades 1-6	622
Old Post Road Grades 1-6	349
Plimpton Grades 1-5	213
Stone Grades 1-6	548
East Jr. High Grades 6-9	657
West Jr. High Grades 6-9	732
Walpole High Grades 10-12	1224
Total	5073

THE NEW KINDERGARTEN PROGRAM

Of great significance to the community is that the State mandate to begin Kindergarten instruction in all school systems of the Commonwealth by September 1973 created a situation of having to implement this instruction for children in some schools which were either not designed for or had insufficient capacity to accommodate the incoming Kindergarten students.

Of all Walpole's elementary schools only Fisher possesses the kind of space that could be considered adequate by today's program standards. In the other schools, regular classroom or auxiliary spaces had to be used to accommodate the program. For example, the Boyden program is housed in the school cafetorium. Other initial housing difficulties at Boyden resulted in the transfer of seventeen Kindergarten students from Boyden to the Plimpton School. Outside of the Boyden situation the most critical space needs for adequate Kindergarten programming are at the Bird and Plimpton Schools where Kindergartens are housed in regular classrooms. Since the classroom spaces in these two older facilities range from 500 to 650 square feet and today's standards require 1200 square feet, one can easily see that these two schools are operating classes in spaces which are substandard by nearly fifty percent.

However, in many respects in terms of educational services to children and families, the space handicaps are far outweighed by the positive aspects of the Kindergarten experience. For the first time, the school system will be able to relate to the various needs of the five-year-old in a planned environment which is both responsive and conducive to promoting and developing his physical, social, emotional and intellectual needs. The

School Committee: left to right, Peter A. Betro, Garrett H. Dalton, Gertrude Soderstrom, James B. Totten, Anthony J. Bruno, David R. Cameron, Chairman, and William H. Powers.

Kindergarten, therefore, becomes the place to develop and enrich these initial experiences with self and others, and provide the readiness for success in school and life.

It is the Kindergarten, or for that matter, the pre-Kindergarten experience, which provides the professional staff member the opportunity for the early diagnosis of a child's aspirations, interests, needs and/or limitations. This early diagnosis is extremely critical for the future of the child and can provide the school system not only the environment, but also the vehicle to work with child and home a full year earlier than before.

Kindergarten will in the near future place other demands for change within the system. Many of which are being analyzed by staff at this time. For example, we must develop means of enrolling and pre-screening our incoming Kindergarten children; we must review our parental communications and/or reporting system; we must study the impact of Kindergarten on our primary language development and mathematics programs and finally we must analyze our whole process of assessing the needs and performance of children so that the procedures and instruments used are not only reliable but continuous.

AN ORGANIZATIONAL AND FACILITIES PLAN

Of parallel importance to the citizens of Walpole is the continuing effort of the School Committee to present to the community an organizational and facilities plan which through adoption and implementation will provide adequate educational space at the High School and Elementary School levels for the now and the future. The Committee, under the charge of a 1972 Town Warrant, has engaged the services of Dr. George Collins as an educational consultant to develop educational specifications for a new three or four year high school. After thorough study, the Committee also selected the firm of Russell, Gibson, Von Dohlen of West Hartford, Connecticut and Pittsfield, Massachusetts to develop an architectural and engineering study of the feasibility of de-

Sketch by Neil MacPhee, Grade 4, Plimpton School

signing space to meet the requirements of the educational specifications in either a new three or four year high school or through an alteration/addition to the existing high school.

The work on the educational specifications has required great effort on the part of the High School staff. As a result of their commendable efforts all phases of the program requirements have been completed and reported to the School Committee and the architects by Dr. Collins. The architects are currently working on new school versus alteration/addition alternatives to meet the requirements of the educational programs defined by Dr. Collins, the Administration and Staff. The Committee has tentatively planned to present the study recommendations on the facility needs of the system to a Town Meeting in late February 1974.

For the future programming needs of the children of Walpole we are all hopeful that the community's reaction will be favorable to the Committee's final recommended solutions.

Research and Development

In August, 1971, the Walpole School Committee reviewed and revised its statement of "Educational Guidelines for the Future." The goals established in this document have continued to provide a framework for school staff to determine the priorities by which curriculum research and development projects have been selected throughout the school year and summer months.

In summary, the guidelines indicate that the Walpole Public School System should provide the following:

1. Education for All Students Grades K-12
2. Equality of Educational Opportunity
3. Comprehensive Programs for All Students
4. Individualized Student Programs

By way of illustration, selected projects conducted within the schools during the 1973 calendar year are cited as they relate to the above guidelines:

1. *Education for All Students Grades K-12*
Development of curriculum guide for new kindergarten program.
Extension of the high school work study and work experience programs.
A training program for voluntary reading tutors.
Exploratory study of education/outreach worker role.
2. *Equality of Educational Opportunity*
Algebra II enrichment program.
Revision of Grade 9 general math curriculum.
A proposal for a unified arts curriculum.
3. *Comprehensive Programs for All Students*
Development of Foods and Nutrition curriculum guide.
Poet-in-residence.
High School crafts program.

Extra-curricular outdoor education program for junior high school students.

4. *Individualized Student Programs*

Programmed instructional materials for high school chemistry.

Grade 1 individualized reading resource materials.
Elementary school instructional materials resources center.

Elementary and secondary school coordination of mathematics curriculum.

Language Development

Language Development specialists continue to strive toward goals in the service, training, and research areas. Naturally service to students and teachers is of primary importance. In working with students having special language development needs, we attempt to diagnose specific strengths and weaknesses, prescribe a program which is based on individual needs and styles of learning, and evaluate progress frequently. During the year, Language Development specialists have worked with approximately 750 students — 450 in reading, 200 in speech, and 100 in learning disabilities. The assistance of several parent tutors has been most beneficial and we plan to expand this program.

Through the cooperation of the Massachusetts Council on the Arts and Humanities, it has been possible to have some of our students create poetry with the guidance of

a professional poet. As a result of a teacher workshop and the development of a series of poetry kits, the methods and ideas of our poet will be available to all interested teachers and students.

Other workshops have been made available to teachers during the year by the Language Development specialists. Of particular interest to a large number of teachers at the elementary school level was a display of materials designed to help individualize instruction in the language arts area.

Parents have been especially helpful in encouraging summer reading. Using *Summer Reading Is Fun* lists as a guide, students are reading more than ever before. Increased public library circulation is one indication of the development of pleasure reading habits. We appreciate the cooperation of all of the librarians.

Depicting "Where the Wild Things Are" by Brian Wildsmith

Summer Kindergarten

The five week Summer Kindergarten or Pre-First Grade program was conducted for the final time this year due to the introduction of a full year Kindergarten Program. Each year, since its inception in 1967, approximately 65-70% of the eligible children participated in this voluntary program. This year 225 children took advantage of the opportunity and, in spite of vacation schedules, etc., the attendance was 87.12%.

Over the years we have found this Summer program to have been beneficial in many ways. During the first four years of the program, assessments were made by distributing questionnaires to the parents of pupils in attendance, the Summer Kindergarten Staff and the Grade 1 teachers to whom the pupils were assigned in the fall. The results of these questionnaires revealed that the children demonstrated considerable social and emotional growth, improvement in physical coordination and increased readiness for their Grade 1 program. This pre-school experience also provided the staff with more insight into the developmental needs of the Kindergarten child, thus benefitting them in the preparation of an extensive Kindergarten Curriculum Guide which was adopted for use in our year round program. In addition, the acquisition of equipment and materials for the summer program during these years enabled us to equip the Kindergarten classes this fall at a minimum cost to the taxpayer.

Thus, Kindergarten has become the beginning unit of elementary education in Walpole and now occupies a vital position in the development of each child. It now

High School Service Project

forms the bridge between home and school and therefore is a major transitional period in which the child meets a number of challenges, the successful or unsuccessful resolution of which will have a decisive influence on the child's perception of the world, his personality, his capacity for autonomy and his self-awareness.

Media Services

Media Services is, as the name suggests, essentially a service agency to the schools for the following purposes:

1. To acquire and maintain materials and equipment needed for the schools' instructional programs.
2. To organize and promote the use of the range of materials required for different learning and teaching styles, in an environment responsive to the variety of learning modes and teaching methods.
3. To support curriculum development and materials selection facilitating the teaching-learning process.
4. To provide an opportunity for children to learn to locate and use information in different formats through meaningful processes.
5. To promote the continuing self-education and sharing of ideas among teachers.

To implement these goals, media centers now contain (within some rather severe space limitations) basic collections of books, magazines, pamphlets, charts, maps, films, filmloops, filmstrips, slides, transparencies, prints, electronic tapes, records, models, kits, teaching units, artifacts, games, and other instructional materials and related equipment and supplies. A major strength of the Walpole system is the treatment of materials and personnel as a single resource for the entire school system. Media specialists function as a team, drawing on each other's expertise and loaning materials and equipment freely among schools through the daily courier service.

This year all schools except Plimpton have full-time media specialists. The High School has a second specialist shared half-time with Plimpton. Full-time aides help manage the clerical load at Fisher, Old Post Road, East Junior High, and West Junior High. The High School has the equivalent of two full-time aides. Bird, Boyden, Plimpton and Stone have part-time aide coverage. Volunteers have given essential and most welcome help.

The Loon Project seeks challenge

Senior High School

Walpole High School opened in September 1973 with the largest enrollment in history. A total of 1224 pupils were enrolled in Grades 10 through 12. Each of the three grades had enrollments of slightly over 400 students.

The high school is continuing for a second year the extended day, nine period schedule, which necessitates staggered arrival and departure of students. This procedure allows for greater utilization of the facilities. Further, the concepts of the Max-Ed Program and Arena Scheduling are also being continued this year.

The Foreign Language Department will sponsor another group of students abroad this year. Last year a group of students visited France during the April vacation. This spring plans are made to take approximately 50 students to Spain during the April vacation.

NEW COURSES ADDED FOR SCHOOL YEAR 1973-1974

1. Theatre and Drama
2. Speech and Debate
3. Reading Improvement
4. Independent Study in English
5. Music Theory
6. Stage Band
7. Oceanography
8. Advanced Electricity and Electronics
9. Programmed Individualized Learning in Chemistry
10. Walpole History I and II
11. Realism (Foreign Language Department)
12. The Contemporary Scene (Foreign Lang. Dept.)
13. 2nd Year Course in Non-college German

14. Advance Jewelry and Metal Work
15. Advance Ceramics
16. Stage Design
17. Replaced Home Economics with semester course in Foods and Clothing
18. Advanced Course in Foods
19. Advanced Course in Clothing
20. Expansion of Work Study Program
21. Technical Typing
22. Introduction to Office Machines
23. Office Procedures

COURSES BEING STUDIED FOR POSSIBLE ADOPTION IN THE NEAR FUTURE

1. Italian
2. Spanish for Business Students
3. 4th Year Spanish
4. Speech Communication
5. Clarity, Logic and Interpretation
6. Introduction to Accounting
7. Distributive Education
8. Further Expansion of Work Study Program
9. Developmental Reading
10. Humanities (Eng., Soc. St., Sci. and Art Dept.)
11. Semester Courses in Family Living
12. Child Development
13. Drug Education
14. 3rd Year of Art Major
15. Advanced Course in Textiles
16. Design in Life
17. Independent Study in Ceramics

1973 Summer Title I Program

Approximately one hundred children received individual and small group instruction during the six week program at Fisher School. Specific objectives of the program were:

1. To ascertain specific subskill needs of each child.
2. To plan and implement a program of instruction and related experiences individually designed for each participating member.
3. To identify and assess the significance of such other factors that may be pertinent to the aca-

ademic progress of each individual (adjustment, environmental, personal, emotional, social adjustment).

4. To utilize the knowledge and ability of the specialists in affecting classroom instructional practices.

The program provided a unique and much-needed learning environment for the children. Their regular school experience has undoubtedly become richer and more meaningful to them as a result of their happy summer learning opportunity.

Summer School

The Summer Enrichment Program was a rewarding success for those who spent so much time in its planning and administration.

This was the second year for both the program and its Director, Mr. Edward Turley, who is also our Head Counselor at the high school. Mr. Turley and eighteen teachers, all from the Walpole system, began their organization of materials and curricula in February and worked through the opening day on June 26th.

All in all, the program ran five weeks through July 27th. Students from Grades 1 through 12 were invited

to participate in over fifty selected courses. These courses, on the elementary level, ranged from enrichment oriented courses in Art, Science, Stringed Instruments, Home Economics, Gymnastics, Puppetry and Nature Study to Remedial Courses in Reading and Mathematics. High School students had the opportunity to elect make-up or remedial courses in Math, English or the Sciences.

The overall figure of 519 subscriptions (an increase of 40% over the first year) has demonstrated marked enthusiasm of the parents for this new method of using the school facilities on a continuing twelve month basis.

Adult Education

During the past several years the Adult Education Program on Tuesday and Thursday evenings at the high school has been very enthusiastically received by Walpole residents as evidenced by the chart of attendance illustrated below. The program has doubled in enrollment and classes offered, reaching a high of 834 adults during the past year.

Year	Enrollment
1967-68	381 (21 classes)

1968-69	395
1969-70	426
1970-71	553
1971-72	722
1972-73	834 (39 classes)

The program is open to all residents of Walpole who have reached the age of 17 for a registration fee of \$5.00 for a 10 week course. There is no charge for residents 65 years of age and over.

Statistics Class '73

Walpole High School graduated 336 students on June 3, 1973. Considering the total class of 336 students, 226 have made application and 201 have been accepted for further study. The breakdown and a comparison with the classes of the five previous years is as follows:

	1968	1969	Percentages		1972	1973
			1970	1971		
Four Year Colleges ...	40	37	37	35	38	32
Two Year Schools	10	16	21	12	18	19
One Year Programs ...	12	8	6	8	7	8
Nursing Schools	3	5	3	3	2	2
Preparatory Schools ...	5	2	3	1.5	2	1

This is a total of 67% of this year's students. For these students, the Guidance Department processed 611 applications and the students received a total of 369 acceptances.

The remainder of the class have future plans as follows:

	1968	1969	Percentages		1972	1973
			1970	1971		
Full-Time Employ'm't	15	14	16	24	25	25
Armed Services	8	9	3	4	1	1
Undecided	6	9	10	8	6	9
Marriage			1	2	.5	.9
Post Grad5		.1
Travel				2	.5	1

SCHOLARSHIP AID

Because of the late date at which some of the colleges and scholarship funds declared financial aid, we are unable to compute a complete figure for financial aid at the printing date of this report. However, \$5,100.00 will be given to deserving students at graduation from local funds.

Schol'ships	1968	1969	1970	1971	1972	1973
College ...	\$20,750	\$25,000	\$27,350	\$25,170	\$38,555	Inc.
Local	3,850	4,500	5,250	4,850	5,875	\$5,100
Work	1,150	2,930	2,930	4,700	2,575	Inc.
Loans	7,150	7,630	7,450	13,700	15,225	Inc.

DISTRIBUTION OF APPLICATIONS AND ACCEPTANCES

	1968	1969	1970	1971	1972	1973

Tri-County Regional Vocational High School

The year 1973 witnessed the formation of a new education facility to benefit students of Walpole and seven area towns when a vocational technical school district was created by vote of the eight participating communities. Walpole's interest in the proposed school was evidenced by a special election conducted May 19, 1973 when an overwhelming majority voted in favor of the town joining in the school district. The vote was 799 in the affirmative to 125 negative votes.

A special town meeting held on September 5 appropriated \$19,254.96 as Walpole's proportionate share of the \$84,600.00 budget established by the new school district's appointed school committee.

The school committee is comprised of eleven members from the eight towns that joined together to establish the district, namely Franklin, Medfield, Medway, Millis, Norfolk, North Attleboro, Sherborn and Walpole. In compliance with the regulations adopted when the district was established, the larger towns of Franklin, North Attleboro and Walpole appointed two representatives to the committee, while the smaller towns appointed one member from each municipality.

A three-member committee in Walpole, comprised of the chairmen of the board of selectmen and the school committee and the town moderator, appointed Philip A. Mitchell, 7 Park Lane, East Walpole and Richard H. Holman, 47 Carpenter Road, Walpole as the town's representatives to the district school committee. Mr. Mitchell was named to a three year term and Mr. Holman was appointed to a one year term of office.

The district school committee members elected Loring Maxwell of Medway as its chairman, Arthur Hillman and John Kraskouskas, both of North Attleboro, to serve as vice chairman and secretary, respectively, and also elected Richard H. Holman of Walpole to the office of treasurer.

Among its first official acts voted by the regional school committee was the selection of a formal name for the school. The committee was influenced in its choice by the fact that the district serves the counties of Bristol, Middlesex and Norfolk. Temporary offices have been acquired at 15 Rockwood Road, Norfolk. The telephone number is 528-5400 and the office is open from 9:00 A.M. until 1:00 P.M., Monday through Friday. The

office will become a full-time operation upon appointment of a superintendent-director.

In October advertisements were submitted to trade magazines and widely circulated newspapers in an endeavor to reach a wide circle of interest in the position of superintendent-director for the school. A total of eighty-nine applicants applied from communities throughout New England, the east coast and the mid-west. At this writing six individuals are being interviewed from a larger group selected as best qualified in meeting with the criteria for employment, and, it is anticipated that the position will be filled by the close of January (1974). The superintendent-director will serve as the school committee's agent in the administration of the vo-tech facility.

A site committee is investigating and studying possible locations for the school building within a seven mile radius of the center of the district, which is in the town of Norfolk. Plans call for the facility to serve grades 9 through 12, possibly grades 13 and 14, and it is hoped that summer classes and night school will also be available through the institution.

Currently, the school committee believes it would be premature to establish a date for the opening of the school due to the depth of preliminary business yet to be accomplished. However, it is anticipated that the busi-

ness of establishing the vocational-technical school will proceed without encumbrances and that the school bond issue will be voted in 1975.

Although, originally there were eleven towns concerned with the creation of the school district only eight voted in favor of its becoming a reality. Since the district was voted by its member towns the town of Seekonk approached the vo-tech school committee with a petition that it be allowed to join the district. In November the school committee voted in favor of such participation, and awaits the town meeting action of the eight member towns in 1974 approving or rejecting the inclusion of Seekonk in the district.

The present Tri County Regional Vocational Technical School Committee is indebted to the original Norfolk-Bristol study committee that investigated the need for a vocational and technical school in the area. The preliminary work accomplished by that committee has been a valued asset for the Tri County members. Walpole residents serving on the original committee included David Cameron, Philip Mitchell and Richard Harrison.

The Tri County school committee is appreciative of the support extended by the townspeople and the school committee of Walpole in promoting the endeavor of the committee and this vital need in our community.

Town Services

Town Engineer

The departmental staff has been organized and complemented with four positions: engineer (John Rhoads), senior engineering aide (Mark Flaherty), and two student co-op engineers from Northeastern University. In addition to our normal workload, a backlog of outstanding projects was completed during the year, and new information and data systems and other innovative programs were established. A synopsis of our major activities for the year is given below.

Under the provisions of our Zoning By-Laws, all plans for non-residential construction must be submitted to the Appeals Board for Site Plan approval; flood plain and multi-family construction require a Special Permit. Upon request and review, written reports were submitted to the Board for 31 site plans, 2 flood plain proposals, and 1 apartment addition.

As Town Engineer, various subdivision plans and other items have been reviewed and written reports submitted when necessary. A total of 25 written reports were submitted; 8 for preliminary plans, 7 for definitive plans, and 10 for bond and inspection reports. Also, surveillance and inspections have been made and recorded on all active subdivisions, with assistance given to developers when appropriate. A total of 26 subdivisions comprising 561 lots are in some form of subdivision control under the jurisdiction or direction of the Planning Board, as shown in the table below.

SUBDIVISION CONTROL TO DEC. 31, 1972

10 Res. — 282 lots
1 Ind. — 10 lots

1973 SUBDIVISION APPROVED

5 Res. — 97 lots
1 Ind. — 12 lots

DEFINITIVE SUBDIVISION PLANS PENDING

4 Res. — 85 lots

PRELIMINARY SUBDIVISION PLANS PENDING

5 Res. — 75 lots

A new mylar zoning map has been prepared for adoption as the "official" Town Zoning Map by the Town Meeting. All changes in zoning districts adopted since the original 1956 zoning map have been incorporated

and chronologically indexed on this map. Future changes and updating can readily be made on this map which will be used for official and reproduction purposes.

A compilation and indexing of all tax exempt property controlled by the Conservation Commission was made. This data has been plotted and updated, as additional lands have been acquired, on a large reproducible mylar Town map. The Commission now controls 40 parcels of land comprising 509.2 acres. Plans of the Cobbs Pond area and Mine Brook Valley were prepared and submitted to the Commission. A plan and parcel descriptions of land owned by Anna C. Bird, to be given to the Town, were prepared for recording purposes.

The consulting firm of Metcalf and Eddy continued with implementation of the Town's master sewer and water programs, while Weston and Sampson was chosen to implement the \$2.5 million (bond) water improvement program. Assistance was given to both consultants during the survey, design, and construction phases including the preparation of easement plans where necessary. In conjunction with the sewer program, "sewer orders" were prepared and filed at the Norfolk Registry for sewer assessments to be computed and levied after the completion of the projects.

Contract plans, specifications, and resident engineering were provided for storm drains construction on Brown Drive, Eldor Drive, High Street, and Stone Street. Sewer and storm drain feasibility studies, plans, and cost estimates were submitted as requested. Initial work has begun toward the preparation of a master storm drainage plan for the Town, together with new mylar sewer and water maps.

A composite property line plan of the Rural Cemetery was prepared and recorded in the Norfolk Registry. A compiled plan of the Maple Grove Cemetery was prepared incorporating a new design for about 1400 burial lots. Assistance was provided to the Cemetery Superintendent in staking out burial plots and roadways.

A surface course of pavement was applied on Alton Street under the final phase of our contract for its reconstruction under the Betterment Act. Betterment assessment computations were made and submitted for all

abutters. Contract plans, specifications, and resident engineering was provided for a bituminous paving contract at six school locations.

Street acceptance, plans, and documents for street layouts and taking orders were prepared and recorded in the Norfolk Registry of Deeds for the following streets: John Turco Drive, Leonard Road, Lakeview Drive, and Overlook Terrace.

Emphasis was placed this year on studies and analysis of data relative to our sanitary landfill site and operation. The following plans and information were prepared: topographic plans of the presently utilized 30 acre

site and adjoining property for local Board of Appeals and State Department of Public Health approval; two plans and parcel descriptions were prepared for land transfer or lease agreements on adjoining property; establishment of observation wells for ground water determinations; water samples taken and submitted for laboratory analysis.

I am anxiously looking forward to our continued active and meaningful participation in Public Works projects and providing engineering services in the coming year as the Town continues its growth and development and the demands for public utilities and services continue to increase.

Superintendent of Public Works

This department covers the work of Highway, Water and Sewer, Park, Garage and Vehicle Maintenance, and Building Repair. The scope of work has grown in the past year due to aging drains and water systems.

Resurfacing of streets with asphalt and stone continued under our regular program. These are listed in the highway foreman's report. Many small drainage problems were corrected by town forces and by contractors. Much more work is needed in this area and we intend to do more this year. Washington Street was completed by paving with Type I to South Walpole Square. Part of the Square was not paved due to anticipated water main installation.

In the Water Department, several new mains were installed. Washington Street Well No. 3 Station was completed and placed in service. This is a great help to the system producing an extra 300,000 G.P.M. One more well and possibly two will be brought in next year.

The Sewer Department maintained all lines and services. The grit chamber was maintained and manned by this department.

The Park Department continued in the same program as last year. All school grounds, ball fields and public areas were maintained. This department also works on snow removal and sidewalks.

Since I am retiring this year in February after 44 years of service, this will be my last report. I would like to thank the present Board of Selectmen, the Board of

HIGHWAY DEPT

Jef Flex, Grade 3, Fisher School

Sewer and Water Commissioners, also Mr. Robert Bocwinski, town administrator, all former boards and administrators that I have worked under. They have been most cooperative to work with.

I would also like to thank at this time all of the Town employes, both past and present, for their help to me and their excellent cooperation. I have asked them to do some real tough and cold jobs and never was refused.

I appreciate having worked for the Town of Walpole and am sorry to be leaving. I wish the best of luck to my successor and will give him any help I can. The reports of all foremen follow.

Highway Department

Our program of street sweeping, cleaning catch basins, and repairing holes continued despite the weather conditions throughout the year. Resurfacing was accomplished on many streets throughout the town. Station St., Spring Valley Drive, Oak Hill Drive, Brown Drive, Norton Ave., Hartshorn Rd., Grover St., Autumn Lane, Clinton Ave., Shufelt Rd., Clarkson Drive, Jean Rd., McDonald Circle, Park St., Pontiac Rd., Polly Lane, Morse St., Higgins Circle, Hemlock St., Grant Ave., Cullinane

Circle, Cherry St., North St. Circle, Apple Tree Lane, Louis Drive, and Gill St. were surfaced with RC 800 and three-eighths-inch stone.

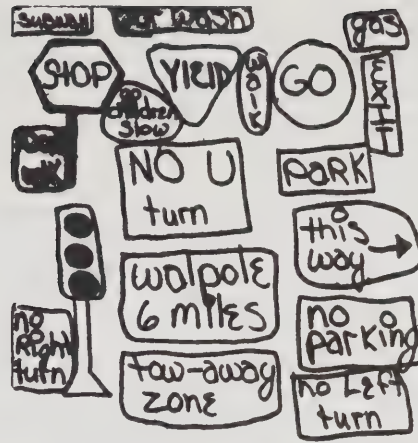

Drainage systems throughout the town were installed and/or repaired on the following streets:

1. Brown Dr. 25' L. F. of 15" R. C. Pipe and 85' L. F. of 18" R. C. Pipe and 545' L. F. of 24" R. C. Pipe.

2. Eldor Dr. 214' L. F. of 12" R. C. Pipe.
3. High St. 193' L. F. of 12" R. C. Pipe.
4. Stone St. 106' L. F. of 12" R. C. Pipe.
5. Boston-Providence Turnpike 795 L. F. of 30" R. C. Pipe.
6. Mill Pond Road 70' of Pipe, 1 Catch Basin.
7. Bird School 50' of Pipe, 1 Catch Basin.
8. Plimpton St. 60' of Pipe, 1 Catch Basin.
9. Boyden School 30' of Pipe, 1 Catch Basin.

Also various streets in town were hot topped with Class I bituminous concrete. Common St. from Clapp to Railroad bridge. Winter St. from Rt. 1 to Norfolk line. Stone Street from Center to School St., Front St. and Chestnut St.

Many street, traffic, school and other signs were made, repaired and installed throughout the town.

Elaine Jagatta, Grade 5, Plimpton School

All eight gravel roads were scraped and leveled throughout the town.

All gravel was supplied at landfill when needed.

Public Works Garage

Maintenance, lubrication and repairs were performed on all sixty D.P.W. vehicles including water, park, highway, building and repairs, engineering, administrative, assessor, building inspector, town ambulance and C. D. unit. In addition the two fire department cars, and the four police cars are now maintained and serviced by the garage.

Transmission overhauls were done on two vehicles, valve jobs were done on four units, clutch jobs were performed on two trucks, one differential unit was rebuilt and six brake jobs were done.

All portable generators, compressors, dutch pumps, tractor lawn mowers and attachments were lubed and maintained.

Welding and repairs were made on all ice control units and cutting edges were installed on all snow plows, sidewalk tractors and loader buckets.

The two sanitary landfill tractors were lubed, maintained and repaired.

The new equipment purchased in 1973 was inspected and checked to the town's specifications and serviced for use.

The Washington Street pumping station's No. 2 and No. 3 auxiliary natural gas engines were maintained weekly along with the Turco Pumping Station diesel engine and auxiliary power unit.

Building Repairs

Blackburn

Painted exterior of building, installed new stage curtains and drapes for windows, replaced section of sidewalk side of building, hot-topped area for Senior Citizens, painted stairwells, installed exterior lighting, installed heat for new meeting room, installed retaining wall, and installed rails on side steps.

Town Hall

Repainted exterior, painted and recaulked all exterior windows and trim, installed new gutters, replaced some slates, installed new conductor pipes, repaired and coated front entrance roof, and completed installation of fire alarm system.

DPW Buildings

Re-roofed three storage garages, partial exterior painting, and installed two vandal lights.

Landfill Building

Installed vandal guards on all windows.

Police and Fire

Center Police and Fire Building

Painted partial exterior, painted cells, cleaned and painted boiler room, revamped part of boiler.

South Fire

Painted exterior.

East Fire

Painted exterior.

Center Library

Preventive maintenance program started on heating system, non-skid treads installed on stairs, hot-topped area for bike rack and resurfaced sidewalk around building.

Bird School

Remodeled clinic to make office, continued shade replacement program, painted five rooms, continued lock replacement program, repaired floors in 12 rooms, recapped rear drive, and continued silicone to exterior brick program.

Boyden School

Recapped front steps in old section, resurfaced hot-top in rear of building, continued shade replacement program, and painted auditorium and Room No. 31.

East Junior High School

Made major roof repair to academic wing, refinished gym panels, all doors on first and second floors, continued shade replacement program, continued chair replacement in auditorium, painted partial exterior, and siliconed part of exterior brick, replaced \$3500 broken glass.

New Fisher School

Re-covered four counters with Formica, replaced ceiling in stairwell, provided sidewalk drainage in front of building, built retaining wall in rear of building, installed two vandal lights in rear of building, sanded and relined stage and gym floor, continued blackboard covering program, and repaired all roof drains in old section.

Old Fisher School

Installed outlets in art room, made storage room in original boys' and girls' lavatories.

Senior High School

Remodeled guidance room, installed two exterior vandal lights, installed canopy over loading platform, replaced piping in areas needed, painted bottom section original gym, painted nine classrooms, continued shade replacement program, replaced ceiling in girls' lavatory, reset and repainted flagpole, fastened roof drains to prevent vandalism, installed outlets in four rooms, installed blackboards in room 121, resurfaced roof over office area in 1965 addition, enclosed book cases with locked doors in four rooms, and siliconed exterior brick.

Old Post Road School

Replaced asbestos tile floor in four lavatories with ceramic tile, painted four rooms, installed drain, repaired hot-top around bike rack and hot-topped sidewalk in rear of building.

Plimpton School

Painted three rooms, hot-topped area next to playground, painted lower exterior of building, installed one vandal light, and siliconed exterior brick.

New Stone School

Installed lights in media center, washed entire interior of building affected by fire, painted all of these areas,

replaced all shades in these areas where beyond repair, installed lighting in lower corridors, installed door to dental clinic, installed three vandal lights, restored classroom, completely gutted, to better than original condition.

Old Stone School

Hot-topped area in front of building, and replaced plumbing in boys' lavatory.

West Junior High School

Painted corridors on top floor, installed shower curtain rods in all showers in girls' locker room, replaced \$4,000 worth of broken glass.

All Buildings

In addition to budget items itemized, a great deal of repairs were made.

The amount of vandalism and the cost to repair same is staggering to the imagination.

I would guesstimate the cost to run very close to \$100,000. This would include causes such as:

- The fire at the New Stone School;
- The fire at the Center Library;
- Vast amounts of smashed glass at various buildings;
- Roof drains pulled from roof and drains plugged up with anything you can think of;
- Toilets torn from floors;
- Smashed exterior lighting;
- Smashed wall outlets;
- Smashed toggle switches;
- Copper flashings torn from roofs;
- Roof exhaust fan motors vandalized;
- Doors smashed to pieces, and roof torn off South Pool;
- Shades broken and torn;
- Return pumps shut off causing steam traps to leak and fin radiation having to be replaced;
- Door closers torn from doors;
- Panic bars torn from doors;
- Doors being pulled off closets.

If anyone doubts that these things happen I have bills to prove it and many more things not mentioned here.

In addition to vandalism there are the many things that happen simply from wear such as:

Repairing door checks, doors, Rixons, accidental glass breakage, painting, installing shelves, replacing door hardware, repairing steps, repairing shades, repairing furniture, all and any minor or major repairs in all public buildings.

Park Department

Generally speaking, this department is responsible for the care and maintenance of town-owned properties. Not only does this include parks and playgrounds, but also such things as football fields, baseball diamonds, tree-plots alongside the streets and the sanitary landfill area.

Much of the maintenance work is dictated by the season, such as the Spring clean-up and the fertilizing and grooming of the athletic fields. Many of the other responsibilities of this department are carried out through the year. Mowing, trimming and seeding in the summer months are replaced in the winter by snowplowing.

Of concern to this department is the shade tree problem. Periodic surveillance must be maintained to control the spread of the Dutch Elm disease. Of the diseased trees found during the year, 38 were removed and the others chemically treated.

Thirty sugar maples were included in the Fall planting program to replace those that had to be removed.

Another Fall service of the department is the leaf pick-up program. This year 108 well-compacted loads of leaves were added to the compost pile at the DPW.

At the sanitary landfill area, trees were cut and removed in order to expand the site. Then the gravel was removed and stored for future use as cover material.

Among routine chores accomplished during the year were the installation of Christmas decorations, maintenance of the swimming pools and moving equipment and supplies for the school department.

Our goals are generally dictated by Town Meeting action and we will do all we can to fulfill these actions.

Department of Weights and Measures

Weights and Measures

Susan Sayed, Grade 4, Old Post Road School

The following is a summary of the department's activities during the calendar year 1973:

Units Tested	394
Units Sealed	385

Units Adjusted	79
Units Condemned	4
Units Not Sealed	5
Adjustment Fees Charged	\$4.00
Fees Collected and Paid to Town Treasurer	\$925.20

Surprise spot checkings of essential food items totalled 472 units. The findings were: 342 correct, 31 under, and 99 overweight. The merchants concerned were advised accordingly and responded cooperatively.

Essential equipment for inspection was purchased during 1972 and 1973. As a result, more comprehensive coverage was obtained. In addition, 1973 collected fees increased to a total of \$929.20. Previous years' fees were as follows: 1972—\$760.40, 1971—\$835.10, 1970—\$758.20.

This increase in fees collected occurred simultaneously with a reduction in department expenses; down to \$193.45 expended in 1973.

The department's goal in 1974 will be to continue to expand inspection activities of prepackaged food items.

Wire Inspector

INSPECTIONS MADE DURING THE YEAR

New homes (normally three inspections) each	238
Additions (normally one or two inspections each)	243
Services (normally one inspection each)	79
Pools (normally two inspections each)	60
Industrial and Commercial (as many inspections as	

required)	168
Day care center	3
Rest home	2
Complaints about hazardous wiring	17
Total inspections	810

Plumbing Inspector

During the year 1973, 373 plumbing permits were issued and all complaints were investigated.

I met with the newly formed Board of Health to discuss departmental matters and duties, also worked closely with Mr. Morrisette, town sanitarian, in correcting several cases of cross connections in water systems throughout the town.

There have been many changes in the Massachusetts State Plumbing Code including a uniform Plumbing Permit application which we put into effect Jan. 1, 1974.

At this time, I wish to thank the various town boards, agencies and employees for their assistance in helping me carry out the duties of Plumbing Inspector.

Gas Inspector

During the year, 261 gas permits were issued as follows:

40 New Dwellings
23 Mobile Trailers

198 Replacement of Fixtures

I have worked closely with the building and plumbing inspectors in the investigation and handling of all complaints.

Water and Sewer Department

This is a summary of what has been done in the year of 1973 by the Water and Sewer Department and by construction funds.

Water mains were installed on the following streets:

Hillside Street—180 l.f. of 8" C.I. water main;
Morningside Drive—70 l.f. of 8" C.I. water main;
East Street—45 l.f. of 6" C.I. main
East Street—1560 l.f. of 12" C.I. main;
June Street—40 l.f. of 6" C.I. main;
Short Street—770 l.f. of 12" C.I. main;
Union Street—45 l.f. of 6" C.I. main;
Union Street—26 l.f. of 8" C.I. main;
Union Street—660 l.f. of 12" C.I. main.

There were 14 new hydrants installed and seven hydrants removed.

Sewer mains were installed on the following streets:

North Street—240' l.f. of 10" C.I. main;
Pemberton Street—120 l.f. of 10" C.I. main;
Pemberton Street—3220 l.f. of 8" A.C. main;
Bowker Street—600 l.f. of 8" A.C. main;

Winthrop Street—930 l.f. of 8" A.C. main;
Boston-Providence Turnpike—785 l.f. of 10" A.C.;
Walnut Street—550 l.f. of 8" A.C. main;
Summit Avenue—200 l.f. of 8" A.C. main;
Coney Street—1180 l.f. of 8" A.C. main;
Plymouth Lane—400 l.f. of 8" A.C. main;
High Plain Street—185 l.f. of 8" A.C. main.

During the year of 1973 the Water and Sewer Department installed 87 new domestic water services and renewed 26 domestic services. The Water Department also installed tops on main lines for the new subdivision.

Plugged sewers were rodded and maintained.

During 1973, the Water Department has distributed to the consumers of Walpole the following gallons of water pumped from our pumping stations:

Washington Street Station No. 1	428,686,000
Washington Street Station No. 2	218,885,800
Robbins Road Minebrook No. 1	163,712,000
John Turco Dr. Minebrook No. 2	60,879,200
Washington Street Station No. 3	16,900,700
Total Number of Water Pumped	889,063,700

Building Inspector

Fees — Gas, Plumbing and Wiring

Town Report Committee

The challenge of publishing a record of Walpole's 249th year was enthusiastically welcomed by this year's Town Report Committee. Our goal has been to present the 1973 reports in a context that recalls Walpole's historical past and looks to its exciting future.

To meet our goal, we changed the size and design of this year's Report and added a number of new elements such as the town map and street listing. In addition, we organized the report by broad categories such as General Government and Education and added an alphabetical index to make it easy to find everything. And though limited by tight deadlines, a photography sketch contest produced a number of fine results.

The sketches in this report were selected from over 2500 entries submitted by Walpole students from all grade levels. We believe their special insights help in a graphic way to renew the spirit and meaning of many town activities.

We would particularly like to thank Mr. Alfred Lazzeri, senior high art instructor, and Mrs. Marion L. O'Neil, elementary art instructor, and all school officials for their efforts in obtaining the drawings.

Howard Scott, Grade 6, Old Post Road School

And we'd especially like to thank Howard Scott, grade 2, for his unsolicited characterization "The Book of Walpole." It gave us the spirit to continue with our work during some difficult times.

Town Planning

Planning Board

In 1973, the Walpole Planning Board held 11 public hearings, six of which were for the re-zoning of property. The five other public hearings were held because of the submission of definitive plans for the subdivision of land for the purpose of development. Four of these plans, approved by the Board, give a total of 59 more lots for home building, and the fifth plan, which was also approved, was for an industrial park of 12 lots. Also, another definitive plan was signed since the first of the year for a 24 lot subdivision, the hearing having been held the previous year.

The members met on numerous occasions with other various Boards and Commissions and also signed many plans for the division of single lots of land, the changing of lot lines, and for the filing of plans in land court, all of which do not come under subdivision control law.

The Board is pleased to report that four roads were completed and accepted at Town Meeting in 1973, and they have asked for the acceptance of eight more roads at the upcoming Town Meeting.

Along with the above mentioned work, Mr. Gerard E. Comeau represents the Board on the Zoning By-Law Study Committee which the Planning Board has had numerous meetings with throughout the year, Mr. Robert B. Boyd, Jr. is our Massachusetts Area Planning Council representative, and Mr. John P. Dwyer represents the Board on the Capital Budget Committee.

The meeting nights of the Planning Board were changed this year and are now held on the second and fourth Thursdays of each month. The Board, once again, wishes to extend a sincere invitation to the townspeople to attend their meetings in order to gain a better understanding of the functions of the Board and this particular phase of town government.

PLANNING BOARD: seated left to right, John A. Cosman, Anthony M. Farinacci, Chairman; standing, John P. Dwyer, Robert B. Boyd, Jr.

Water and Sewer Commission

On the 15th January 1973, the residents of the Town of Walpole voted a new Town Charter under the Home Rule Amendment to the State constitution. As a result, a separate and elected Board of Water and Sewer Commissioners, consisting of three members, was created to oversee the operation of the Water and Sewer departments.

The purpose of the Commission is to provide water, sewer, and drainage to the citizens of Walpole in an economical and efficient manner. To this extent; the Commissioners have the responsibility of reviewing current policies and/or regulations with the intent of expanding same. The Commissioners are also charged with the responsibility of obtaining federal and state funds for water and sewer construction when these funds become available.

Since January of 1973, the Commissioners have been extremely active in discussing relevant issues. This has required much time and work of the three individuals elected by Walpole residents. Below is an example of items undertaken and resolved during the 1973 year.

1) Selection of an engineering firm to undertake water improvement as provided for in a \$2½ million Water Improvement Bond Issue. To date the following contracts have been awarded:

- a. Construction of a test production well in the School Meadow Brook Well Field.
- b. Installation of water mains in the South Walpole area.
- c. Construction of water mains and foundations for two proposed standpipes.
- d. Erection of two standpipes to be located one in South Walpole and one in North Walpole.

3) Recommending awards for Sewer and Water construction at various locations in the Town of Walpole. Such installations were completed during 1973.

4) Further refined the Water Availability Policy to state that:

- a. A Town-owned main shall be 8" in diameter and required when two or more services are involved.
- b. It was voted that type "K" copper shall be required for all service connections.

5) Various sanitary sewer projects were assessed to benefitting abutments. The Board attempted to resolve all outstanding sewer project assessments.

6) As in previous years, it was necessary for the Board of Sewer and Water Commissioners to vote a Restricted Water Ban as a means of coping with our municipal water system. As of this date, the ban remains in effect.

7) The Board resolved countless issues which were brought to our attention by affected citizens and/or Town officials. At the present time a number of items and/or issues remain to be resolved. During the coming months, the Board of Sewer and Water Commissioners will be involved in rendering judgments on policy mat-

ter as well as recommending various projects and/or contracts to Town agencies. The following is a few of the outstanding and pending matters of the Board.

1) Presentation to the Town Meeting proposed projects to be undertaken during 1974-75 fiscal year.

2) Decisions regarding the Water Availability Policy.

3) Establishing uniform policies, in conjunction with the Board of Health regarding mandatory connections to the sanitary system, when said system is available.

4) To render judgments in accordance with the rules, regulations and procedures for issuing sewer permits for industrial and commercial users.

5) To continue gathering data regarding on-site disposal systems via the use of our "Grit Chamber". The Board hopes that this information will lend direction when considering and proposing future sanitary sewer projects.

6) Continue investigating means of preserving and improving our well field area, thus assuring the Town of Walpole an adequate source of water supply.

7) To continue and further improve our working relationship with the Board of Selectmen, Town Administrator, and other Town agencies and officials. Our purpose and intent will be to further direct the Town Administrator and his departments by adopting policies relating to storm drainage, sanitary sewerage and water projects.

In our opinion, accomplishments have been made in the past 12 months. However, much remains to be done in formulating policy and/or rules and regulations dealing with our municipal utilities.

FINANCING OF WATER, SEWER AND DRAINAGE

1) *Water*—Generally, the funds required for new water projects are obtained from revenues generated by a water charge for industrial and residential customers. An exception to this statement is the Water Improvement Program which is to be financed through the sale of Municipal Bonds.

2) *Sewer*—Generally, sewer projects are funded from general taxation and federal revenue sharing.

3) *Drainage*—Financing of drainage projects is obtained from general taxation.

LONG RANGE GOALS

There are many problems inherent in the present water and sewer programs. Some of these problems must be resolved within the coming year. Other problems which are more complex will require more time to consider adequate solutions. Issues to consider within the next two years are listed below:

- a. Maintaining the timetable for completing the \$2½ million dollar Water Improvement Program.

- b. Consideration of a time frame for realistically providing town sewer for at least 80% of the Town.
- c. Consideration of initiating discussions with the other Towns with the purpose of constructing a Water Reservoir.

Industrial Commission

After several meetings with land owners and abutters in the Route I-95, Moose Hill Road, and Johnson Drive area, the Industrial Commission put an article in the May 1, 1973 Special Town Meeting warrant requesting the rezoning of 75.4 acres in the Route 1 - I-95 area from Residence A to Limited Manufacturing. Although the article had Planning Board approval, it failed to gain the required two-thirds vote by 7 votes, ending with 65 for and 45 against.

The year 1973 was marked by considerable business and industrial expansion in Walpole. Construction began on the Allen Associates shopping mall at Route 1 and Coney Street, the Bird Johnson office building on Norfolk Street, tennis courts and additions to the As-It-Is Warehouse in the Industrial Park, and the Bird Machine Company in South Walpole.

In August, the Damon Corporation of Needham agreed to purchase the entire 62.3-acre Wirth property on Coney Street and Route I-95. The purchase is now complete and Damon plans to start construction on a 60,000-square-foot building for its medical instrumenta-

tion division in 1974. The company's long-range plans call for additional buildings on the land.

The Commission attended many meetings and hearings in 1973 relative to zoning and business expansion.

Although the Commission's site facts survey is not complete, a rough estimate from available data reveals that there are about 316 saleable acres left in Walpole zoned for business and industry. A great deal of the land originally designated for industry is in the flood plain, and many other areas are unsaleable due to shape, size, and location.

Since all the land recently rezoned in the Route 1 - I-95 area has been sold and this area is in demand, the Commission asked for and received permission from the Planning Board to submit an article to the 1974 Annual Town Meeting for the rezoning of land in the Route 1 - I-95 area. The Industrial Commission feels that the rezoning of this land is in the best interest of the town if it is to maintain a balance between taxes paid by business and industry and those paid by the homeowners.

Allen Associates' Shopping Center Corner of Route 1 and Coney Street (Courtesy of Patriot Ledger, photo by Paul Thompson).

Industrial Development Financing Authority

The second request of this authority was received from the Bird-Johnson Company, Inc. of Walpole, for construction of a new addition to its buildings on Norfolk Street. This building was planned to provide approximately 17,150 square feet of new manufacturing and office space. In following the required steps, your Industrial Development Financing Authority unanimously voted to proceed in assisting Bird-Johnson with the development of its project. The selectmen also voted to

approve plans and recitals. After clearance with the various necessary boards and officials of the town, the request was presented to the Commonwealth of Massachusetts Industrial Finance Board and the Commonwealth's Bureau of Commerce and Industrial Development. The state board did consider and approve our application for a revenue bond issue. This new building is now complete and in full operation.

Personnel Board

The Personnel Board was established in 1954 to administer the Classification and Wage and Salary plan, set up under Town By-Law.

The basic responsibility of the Board is to develop a program which encompasses wages and salaries, fringe benefits, job descriptions and the review of specific personnel needs of town departments and employees, except those specifically exempted.

During the past year the Board was designated by the Board of Selectmen to negotiate the Police Association Contract, the Town Clerks' Contract and the Department of Public Works Contract. After negotiations were completed the contracts were approved by Town Meeting Representatives.

The recommendations made for the 1974 Town Meeting will be within the guidelines as set forth by the Wage and Salary Board under the provisions of the Economic Stabilization Act.

During the year the Board has met with many department heads, committees and boards regarding town personnel matters. More than 100 merit increases were reviewed by the Board.

The regular meetings of the Personnel Board are held on the first and third Mondays of each month. These meetings are open to the public.

The Board wishes to thank Department Heads, Governing Boards and employees for their consideration and cooperation throughout the year.

Housing Authority

The Walpole Housing Authority held fourteen scheduled meetings during 1973. The Authority is responsible for the operation and supervision of the state aided low-cost Housing for the Elderly Project at Neponset View Terrace, Walpole. This eight building complex consists of 64 apartments and a Community Building for the use of the tenants for recreation. The average monthly rental for the 64 units in the Neponset View Terrace development as shown in the state audit of June 30, 1973, was \$55.18.

Site selection for a second low-income elderly housing project was of major concern to the Housing Authority during 1973. The Authority has a waiting list of 128

persons for housing units at the present time, and has been unable to find a suitable private parcel of land for the purpose of construction.

It was decided to discuss with the Board of Selectmen the possibility of acquiring a parcel of town owned land on Stone Street, adjacent to the center swimming pool which had been rejected by Town Meeting previously. The Selectmen indicated their unanimous agreement with this site, and in November an article was entered in the 1974 Town Meeting Warrant asking the town vote approval of this site for the second elderly housing development.

Permanent Advisory Building Committee

The Permanent Advisory Building Committee makes an inspection each fall of all public buildings, schools, parks and playgrounds. It then makes detailed recommendations, including cost estimates, to the Board of Selectmen and, through them, to the Appropriation Committee, for the maintenance and improvement of the various properties.

The committee is helped in its work by various town officials and departments: the town administrator, the building repair department foreman, the school depart-

ment, the library trustees, the recreation committee and others.

The amount recommended to be spent for proper upkeep during the next twelve month budget period, July 1, 1974 through June 30, 1975, is \$314,344.00. As in past years, much of the total will be spent on schools. The work budget for the eighteen month period through June, 1974 is being done at a normal pace, and it is expected the work will be completed on schedule.

Finances

Board of Assessors

Number of Employees		Budget	Expenditures
1960	3 Part Time Assessors, 1 Clerk, 1 Part Time Clerk	\$16,424.00	\$16,277.80

Rate of Taxation		\$56.00	61.60
Number of Motor Vehicles Assessed		11,220*	14,000**

* Through December 31, 1973 ** Estimate

Because of this transitional fiscal period, the financial data for 1973 covers two-thirds, the other one-third will be used to figure the tax rate for the first six months of 1974.

Edward A. Lamore retired December 31, 1973, having

served the Town of Walpole as an Assessor since 1953. He was Chairman of the Board of Assessors from 1957 to 1973. Ed had also served on the Executive Committee of the Association of Massachusetts Assessors from which he resigned in 1973. He is also a past president of the Norfolk County Association of Assessors.

Town Accountant

The eighteen months, 1973-74, Fiscal Year represents changes for the Town Accountant.

Because of the amounts required in the budgets, an alertness was generated by Town Meeting which, in turn, made department heads, boards and committees aware of cost of operating. This has increased, by a substantial number, the amount of requests for special reports from the Town Accountant's office. Between the Annual and two Special Town Meetings \$15,518,095 were appropriated. To date \$9,634,803 has been expended, leaving a

balance of \$5,883,292, as of December 31, 1973.

An additional need for better financial management was recognized by Town Meeting members when they voted approval of Articles 61 and 62. These established the retaining of a nationally prominent accounting or management consulting firm, to design and assist in the implementation of an accounting, financial control and reporting system, along with charging a Committee, of which the Town Accountant is a member, to procure and oversee this program.

Town Treasurer

Report as of December 31, 1973

Town Meeting Abstracts

NOTE: The following reports of town meetings are condensed from the official reports and indicate motions which bind the town. For details of debate and subsidiary motions the reader is referred to the official minutes in the office of the town clerk.

ANNUAL TOWN MEETING, MARCH 5, 1973

Norfolk, ss.

Pursuant to the adjournment of January 15, 1973, the Adjourned Annual Town Meeting was called in the West Junior High School Auditorium at 7:30 P.M. on MONDAY, MARCH 5, 1973 by Town Clerk Louis E. Hoegler. The following RTM Members were present: Anthony J. Bruno, Joan E. Bruno, Roy G. Fisher, Guy H. Giampapa, Clement Boragine, Bernard J. Duffy, Jr., Richard H. Holman, Donald R. Weber, Paul L. Whittier, W. Roderic Bruce, and Edward W. Peatfield.

A quorum not being present, the meeting was adjourned at 7:40 P.M. to March 19, 1973 at 7:30 P.M. in the West Junior High School Auditorium.

Adjourned Annual Town Meeting March 19, 1973

Norfolk, ss.

Pursuant to the adjournment of March 5, 1973, the Adjourned Annual Town Meeting of the Town of Walpole was held in the West Junior High School Auditorium on MONDAY, MARCH 19, 1973. The meeting was called to order at 7:35 P.M. by Moderator Thomas M. White. All by-laws and regulations concerning the calling of a Town Meeting were fulfilled and a quorum of Town Meeting Representatives was present.

Town Clerk Louis E. Hoegler attested to proper return of service of the Warrant.

Reverend Paul V. Varga delivered the Invocation and the assembly recited the Pledge of Allegiance.

VOTED: That this meeting be adjourned to April 9, 1973 at 7:30 P.M. in the West Junior High School Auditorium. The Moderator so declared at 8:15 P.M.

Adjourned Annual Town Meeting April 9, 1973

Norfolk, ss.

Pursuant to the adjournment of March 19, 1973, the Adjourned Annual Town Meeting of the Town of Walpole was held in the West Junior High School Auditorium on MONDAY, APRIL 9, 1973.

The meeting was called to order at 7:35 P.M. by Moderator Thomas M. White. All rules and regulations concerning the calling of a town meeting were fulfilled and a quorum of Representative Town Meeting Members was present.

The following Tellers were appointed: Helen Hanson and Eleanor Harding.

The Assembly recited the Pledge of Allegiance.

The Moderator stated that as he is a member of a local law firm which on occasion may sponsor articles in the warrant, to avoid the possibility of Conflict of Interest, he will step down as Moderator and the Town Clerk will assume his duties as Acting Moderator, on said articles.

VOTED: That upon adjournment of this meeting of April 9th, it be adjourned to April 11, 1973.
Vote: Yes—91; No—17.

VOTED: To waive the reading of the warrant.

Article 1. To elect all Town officers not elected by ballot.

Article 2. To hear and act on the report of any committee or to choose any committee the Town may think proper and transact any other business that may legally come before the Town.

Clifford E. Barnes, Jr., Chairman of the Rules Committee, delivered the following Report:

This year's Rules Committee fully supported the concept of control without the necessity of many written rules. We will propose only one new rule although we discussed many possibilities.

Most of these possibilities were dealt with informally with the idea that only those areas of actual or potential difficulty would be written as rules of order.

Essentially, the RTM is governed by two sets of rules:

1. Those set by this meeting in 1972, and
2. Those set by Article II of the new Town Charter.

The Rules Committee realized that if the proposed Charter were to become law it should reflect the opinion of the RTM members through their Rules Committee. We therefore took time to review Article II and made suggestions, most of which are accepted, to the Charter Commission.

Under Chapter 39, Section 23A of the General Laws we have made the minutes of our meeting a matter of public record by submitting a copy of them to Mr. Hoegler, our Town Clerk. Furthermore, we have taken the liberty of producing 150 copies of last year's voted rules, for distribution to RTM members tonight. This was done at no cost to the town but solely through the efforts of the committee. On the last page we have added the rule which we will propose tonight. We suggest that you edit this as we proceed with the discussion, possible amendments, and then the vote.

At this time the floor will be given back to the Moderator so that he might read the rule and direct the discussion.

Thank you.

Peter Bradley (1)
Barbara Angus (2)
Clifford Barnes, Jr. (3) Chairman
Coleman Foley (4) Secretary
James Erker (5)
Fred Davino (6)
John Farrell, Sr. (7)

VOTED: To add to the "Rules of Procedure Applying to the Conduct of Representative Town Meetings", Item No 11 as follows:

A Motion to move the question will be out of order if the person making said motion precedes his motion by any comment on the article.

ARTICLE 3.—TO BORROW IN ANTICIPATION OF REVENUE FOR 18 MONTHS

Voted: That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the eighteen month period beginning January 1, 1973 in accordance with General Laws, Chapter 44, Section 4, and Acts in amendment thereof, and including in addition thereto Chapter 849 of the Acts of 1969, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 4.—INTEREST PAYMENTS

Voted: That the Town raise and appropriate the sum of ninety thousand dollars (\$90,000.00) to defray the interest payments on any monies borrowed under Article 3.

ARTICLE 5.—AUDIT OF THE TOWN' ACCOUNTS

Voted: That the Town instruct the Selectmen to petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts for an audit of the Town's accounts, in accordance with Section 35, Chapter 44 of the General Laws. (Ter. Ed.)

ARTICLE 6.—COLLECTING TAXES

Voted: That the Town authorize the Collector in collecting taxes to use all means which the Treasurer may use when appointed Collector.

ARTICLE 7.—COLLECTING WATER RATES

Voted: That the Town authorize the Collector in collecting water rates and services to follow the rules and regulations of the Water Department.

ARTICLE 8.—COLLECTING SEWER ASSESSMENTS

Voted: That the Town authorize the Collector in collecting sewer assessments to follow the rules and regulations of the Sewer Department.

ARTICLE 9.—SELL ANY AND ALL PROPERTY

Voted: That the Town authorize the Selectmen to sell any and all property now owned by the Town, or to be acquired, as a right of foreclosing rights of redemption in said property.

ARTICLE 12.—VETERANS' PENSIONS

Voted: That the Town raise and appropriate the sum of six thousand five hundred dollars (\$6,500.00) for the veterans' pension under Chapter 32, Section 59A of the General Laws.

ARTICLE 14.—PRINTING 1972 AND 1973 TOWN REPORTS

Voted: That the Town raise and appropriate the sum of ten thousand five hundred dollars (\$10,500.00) to print 1972 and 1973 Town Reports.

ARTICLE 15.—CHRISTMAS LIGHTING

Voted: That the Town raise and appropriate the sum of one thousand two hundred dollars (\$1,200.00) for Christmas lighting.

ARTICLE 16.—"NIGHT BEFORE THE FOURTH" CELEBRATION

Voted: That the Town raise and appropriate the sum of one thousand dollars (\$1,000.00) for the "Night Before the Fourth" Celebration. (See Reconsideration of this Article 16.)

ARTICLE 17.

Voted: That *No Action* be taken on this article.

ARTICLE 18.—RENEW LEASE OF BIRD ATHLETIC FIELD

Voted: That the Town raise and appropriate a sum of two dollars (\$2.00) and authorize the School Committee to renew a lease Indenture with the Trustees of Francis William Park to lease the land known as "The Bird Athletic Field".

ARTICLE 19.—EXPENSES OF PHYSICAL TRAINING, ETC.

Voted: That the Town raise and appropriate the sum of sixty-five thousand dollars (\$65,000.00) to cover the expenses of physical training, athletics, equipment, and transportation of teams for the Junior and Senior High Schools as defined and specified in Chapter 71 of the General Laws of the Commonwealth of Massachusetts, and Chapter 658 of the Acts of 1950.

ARTICLE 20.—EXPENSES OF CAFETERIAS

Voted: That the Town raise and appropriate the sum of eighty-eight thousand, one hundred and eighty-six dollars (\$88,186.00) to cover the expense of cafeterias for an eighteen month period starting January 1, 1973.

ARTICLE 21.—SELL UNUSED FURNITURE AND EQUIPMENT

Voted: That the Town authorize the School Committee to sell or otherwise dispose of certain unused furniture and equipment stored in Town owned buildings subject to the approval of the Town Administrator.

ARTICLE 22.—MAINTENANCE OF CHAPTER 90 ROADS

Voted: That the Town raise and appropriate the sum of twenty-one thousand dollars (\$21,000.00) for the maintenance of Chapter 90 roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County or both for this purpose.

ARTICLE 23.—CONSTRUCTION OF CHAPTER 90 ROADS

Voted: That the Town raise and appropriate the sum of thirty-two thousand six hundred dollars (\$32,600.00) for the Construction of Chapter 90 roads in Walpole, said money to be used in conjunction with any money which may be allotted by the State or County or both for this purpose.

ARTICLE 24.—WATER FOR FRANCIS WILLIAM PARK

Voted: That the Town instruct the Selectmen to make a minimum charge of one dollar (\$1.00) for water for Francis William Park, a public park in East Walpole, for the years 1972 and 1973, and raise and appropriate the sum of nine hundred forty dollars (\$940.00) to pay the difference between said minimum charge and the bill rendered by the Water Department for the years 1972 and 1973 to Francis William Park.

ARTICLE 25.—250th ANNIVERSARY CELEBRATION

Voted: That the Town raise and appropriate the sum of ten thousand dollars (\$10,000.00) to finance the 250th Anniversary Celebration for the Town of Walpole in 1974.

ARTICLE 29.—WATER DEPARTMENT MAINTENANCE

Voted: That the Town raise and appropriate by transfer from Water Available Surplus the sum of two hundred seventy-two thousand and three hundred and eight dollars (\$272,308.00) to the Water Department for maintenance, construction and retirement of any and all bonds, notes, and interest payable for an eighteen month period beginning January 1, 1973, a sum of money sufficient therefor, in accordance with Chapter 396 of the Acts of 1928.

ARTICLE 30.—SEWER DEPARTMENT

Voted: That the Town raise and appropriate from the receipts of the Sewer Assessment Fund, the sum of \$40,050.73 for administrative expenses, maintenance, sewer connections, retirement of any and all bonds, notes and interest payable in 1973 and 1974. A sum of money sufficient, therefore, in accordance with Chapter 120 of the Acts of 1930. Note: Of this total, \$8,751.00 is for Sewer Department expenses and \$31,299.73 is to pay principal and interest on the 1964 Sewer Construction Bond.

Voted: To *Defer Action* on Articles 10, 11, 13, 26, 27, 28, 31 and 32.

The Moderator then turned the gavel over to the Town Clerk to conduct the Meeting for the Zoning Articles, without objection.

ARTICLE 33.—ZONING

Voted: That the Town vote to amend its Zoning By-Laws by changing from Residence B District to a Business District the following described property:

Beginning at a point on the dividing line of land now or formerly of Alton G. Roberts and land now or formerly of Guisti, said point being 150' distance in a perpendicular direction from Main Street and said point further marks the spot where the present Business Zone line crosses the boundary line between land now or formerly of said Roberts and Guisti; thence running N 52-42-03W to land now or formerly of William McAdams, Jr. et ux; thence turning and running in four courses along the rear property line of Wm. J. McAdams et ux, Frank Verdone et ux, Robert I. Slater et ux, Jos. P. Deyesso et ux, Thos. E. Manning et ux, Douglas M. Morin, Jr. et ux, and Richard A. Westgate et ux, to Norfolk Street, a distance of 910 feet, said courses being N. 44-01-57, E. 45-14-44E, N. 46-36-19E and N. 46-05-30E respectively; thence turning and running S. 68-46-45E along the sideline of Norfolk Street to a point 150 feet from Main St. (said point marking the present business zoning line); thence turning and running Southeasterly in a line parallel to and 150' distance from Main Street along the present Business Zone Line to the point of beginning. (Petition of Joseph R. Santos and others).

Vote: *Unanimous.*

ARTICLE 34.—ZONING

Voted: That the Town vote to amend its Zoning By-Laws by changing from Residence B to Limited Manufacturing District the following described property:

Northeasterly by High Plain Street, 430 feet, more or less; Northwesterly by Lot A, 616 feet, more or less; Easterly by Road to Moose Hill, 250 feet more or less; and Southerly by land now or formerly of H. Fallon, Jr. and land now or formerly of J. A. Scherer a total of 794.4 feet, more or less. Said land is further shown on a plan entitled, "Plan Showing Division of Land in Walpole, Mass. belonging to Thomas J. Morrissey", dated May 10, 1921 by Geo. A. Smith C. E. and is filed with Norfolk Deeds as Plan No. 829 of 196. (Petition of Joseph R. Santos and others).

Vote: *Unanimous.*

Voted: That *No Action* be taken on this Article 35.

ARTICLE 36.—ZONING

On two-thirds required vote, it was moved, seconded and Voted: That the Town amend its Zoning By-Laws by changing from a Limited Manufacturing District to a General Residence District the following described property:

Beginning at a point of the dividing line of land now or formerly of Margaret M. Moore and land of Ernest A. Manocchio, said point being located 175 feet vertically from the center line of Stone Street, being the point where the present zoning line crosses the said dividing line of land of Margaret M. Moore and Ernest A. Manocchio; thence running N. 63-39-28 E a distance of 285.0 feet to a point at land now or formerly of H. A. Morse Corporation; thence turning and running N 08-44-30 W a distance of 135.55 feet to a point at land now or formerly of N. Y., N. H. and Hartford Railroad Co.; thence turning and running S 86-49-16 W a distance of 184.17 feet to a point; thence turning and running S 63-27-23 W a distance of 162.08 feet to a point; thence turning and running S 53-00-20 W a distance of 18.15 feet to a point; thence turning and running S 32-58-00 E, along the present Zoning Line, a distance of 199.04 feet to the point of beginning. (Petition of Bernard V. Martin and others).

Standing Vote: Yes—94; No—16.

Voted: That this meeting be adjourned to Wednesday, April 11, 1973 at 7:30 P.M. in the West Junior High School Auditorium. The Moderator so declared at 11:00 P.M.

Adjourned Annual Town Meeting April 11, 1973

Norfolk, ss.

Pursuant to the adjournment of April 9, 1973, the Adjourned Annual Town Meeting of the Town of Walpole was held in the West Junior High School on WEDNESDAY, APRIL 11, 1973.

The Meeting was called to order at 7:35 P.M. by Moderator Thomas M. White. All rules and regulations concerning the calling of a Town Meeting were fulfilled and a quorum was present.

The Assembly recited the Pledge of Allegiance.

The following Tellers were appointed: Susan Harding and Mary Haggblom.

ARTICLE 37.—ACCEPT LAKEVIEW DRIVE

Voted: That the Town accept Lakeview Drive from Station 0 + 0 at Fisher Street to Station 8 + 77.

ARTICLE 38.—ACCEPT OVERLOOK TERRACE

Voted: That the Town accept Overlook Terrace from Station 0 + 0 at Lakeview Drive to Station 3 + 65.

ARTICLE 39.—ACCEPT JOHN TURCO DRIVE

Voted: That the Town accept John Turco Drive from Station 15 + 95 to Station 18 + 77 at Leonard Road.

ARTICLE 40.—ACCEPT LEONARD ROAD

Voted: That the Town accept Leonard Road from Station 0 + 0 to Station 6 + 19.

ARTICLE 41.—SANITARY SEWER (GLENWOOD AVENUE)

Voted: That the Town take *No Action* to raise money to install a sanitary sewer at the following location: Easterly on Glenwood Avenue from existing sewer manhole approximately 78 feet to new sewer manhole southwesterly on West Street approximately 187 feet to a new sewer manhole or do or act anything in relation thereto. (Petition of John D. Murphy and others).

ARTICLE 42.—SANITARY SEWER (CONEY STREET)

Voted: That *A Hold* be placed on Article 42 for the purpose of obtaining additional engineering information.

Vote: Yes—57; No—56.

ARTICLE 43.—SURVEY AND DESIGN SANITARY SEWERS

Voted: That the Town raise and appropriate the sum of thirty-two thousand dollars (\$32,000.00) for the purpose of retaining an engineer to survey and design sanitary sewers in the following locations:

North Street	Approximately 1,200 l.f.
High Street	Approximately 1,600 l.f.
Kennedy Lane	Approximately 700 l.f.
Joal Avenue	Approximately 750 l.f.
North Street Circle	Approximately 1,300 l.f.
Easement from Woodard Road to North Street Circle	Approximately 400 l.f.
Woodard Road	Approximately 1,000 l.f.
Easement from Woodard Road to outfall	Approximately 1,000 l.f.

Standing Vote: Yes—78; No—37.

ARTICLE 44.—SURVEY AND DESIGN WATER MAINS

Voted: That the Town raise and appropriate the sum of twenty thousand dollars (\$20,000.00) for the purpose of retaining an engineer to survey and design water mains and appurtenant structures in the following locations:

Coney Street	Approximately 1,900 l.f.
North Street	Approximately 3,700 l.f.
North Street	Approximately 1,100 l.f.
North Street	Approximately 2,400 l.f.

ARTICLE 45.—INSTALL SANITARY SEWERS

ARTICLE 59.—CRAWLER TRACTOR

Voted: That the Town raise and appropriate by transfer from Revenue Sharing Funds the sum of thirty thousand dollars (\$30,000.00) to purchase a Crawler Tractor (Bucket Loader).

ARTICLE 60.—

Voted: That *No Action* is required on this article regarding the acceptance of the provisions of Chapter 40, Section 6B of the General Laws.

ARTICLE 61.—ACCOUNTING AND FINANCIAL CONTROL AND REPORTING SYSTEM

Voted: That the Town raise and appropriate the sum of thirty thousand dollars (\$30,000.00) for the purpose of retaining a nationally prominent accounting or management consulting firm or corporation to design and assist in the implementation of an accounting and financial control and reporting system, including the preparation of written procedures, for all functions of the Town as required or do or act anything in relation thereto. Said design and implementation to be completed or substantially completed on or before June 30, 1974.

ARTICLE 62.—DESIGN AND IMPLEMENTATION OF ACCOUNTING AND FINANCIAL CONTROL SYSTEM

Voted: That the Town create a committee of five to be appointed by the Moderator to procure and oversee the design and implementation of an accounting and financial control system, including the preparation of written procedures, as required or do or act anything in relation thereto. Said Committee to consist of the Town Administrator, Town Accountant, one member of the Board of Selectmen, one member of the School Committee and one member at large with one member of the Appropriation Committee as an ex-officio member.

ARTICLE 63.—CONSERVATION COMMISSION

Voted: That the Town raise and appropriate the sum of twenty-five thousand dollars (\$25,000.00) for the Conservation Commission to be placed in the Conservation Fund as authorized in Clause 51 of Section 5 of Chapter 40 of the General Laws.

ARTICLE 64.—

Voted: That the Town take *No Action* on this article.

ARTICLE 65.—

Voted: That the Town take *No Action* on this article.

ARTICLE 66.—

Voted: To *Hold Action* on this article.

The Town Meeting Representatives then caucused to elect members of the Rules Committee. The following were elected: Precinct 1, Oscar Lambine; Precinct 2, Philip Wild; Precinct 3, Clifford Barnes; Precinct 4, Paul Follett; Precinct 5, Harold Austin; Precinct 6, Fred Davino; Precinct 7, Christopher O'Neil.

Voted: That the School Committee have copies of contracts in all principals' offices.

Voted: To adjourn this meeting to Monday, April 23, 1973 at 7:30 P.M. in the West Junior High School. The Moderator so declared at 10:45 P.M.

SPECIAL TOWN MEETING APRIL 17, 1973

Norfolk, ss.

Pursuant to the foregoing warrant of April 16, 1973, the Special Town Meeting of the Town of Walpole, in accordance with Chapter 39, Section 9 of the General Laws met in the West Junior High School on TUESDAY, APRIL 17, 1973.

The Meeting was called to order at 7:36 P.M. by Moderator Thomas M. White. All rules and regulations concerning the calling of a Town Meeting were fulfilled and a quorum was present.

Voted: To waive the reading of the warrant.

ARTICLE 1.—REIMBURSE A FIRE-FIGHTER

Voted: That the Town raise and appropriate the sum of one hundred forty-one dollars and seventy-five cents (\$141.75) to reimburse a fire-fighter for his 1972 retainer.

ARTICLE 2.—PRINT THE TOWN CHARTER

Voted: That the Town raise and appropriate the sum of eighteen hundred dollars (\$1,800.00) to print the Town Charter.

ARTICLE 3.—HEALTH SUPERVISION

Voted: That the Town raise and appropriate the sum of thirty thousand dollars (\$30,000.00) for the rendering of nursing services in the areas of Health Supervision for tuberculosis control including intradermal tuberculin testing, assistance to schools in T.B. survey, maternal and child health, control of communicable diseases, provision of clinics, assistance in immunization programs in schools, mental health and retardation programs, adult health supervision including health maintenance service for Senior Citizens.

ARTICLE 4.—VETERANS' PENSIONS

Voted: That the Town take *No Action* on this article on accepting the provisions of Chapter 32, Sections 56, 57, 58, 59 and 60 of the General Laws of Massachusetts regarding veterans' pensions.

ARTICLE 5.—WATER ASSESSMENTS

Voted: That the Town take *No Action* on this article on accepting provisions of Chapter 40, Sections 42G, 42H and 42I regarding water assessments.

ARTICLE 6.—SANITARY LANDFILL

Voted: That the Town take *No Action* on this article to raise and appropriate a sum of money to purchase and/or lease a portion of parcel E-1006-B as shown on the Assessors' map containing 15,270 square feet more or less, and a portion of parcel E-1006-A as shown on the Assessors' map containing 2.8 acres more or less, for sanitary landfill purposes.

Voted: Be it resolved that:

WHEREAS, on November 13, 1972, at a Special Town Meeting the Town of Walpole voted under Article 3 to approve a Two Million Five Hundred Thousand (\$2,500,000) Dollar Water Bond Issue with a proviso that the Selectmen be authorized to contract for federal aid which was to be spent for the Project;

WHEREAS, The Board of Selectmen did in fact apply for such federal aid and have learned from reliable sources that there is little likelihood of obtaining such federal aid;

NOW WHEREFORE, be it further resolved that the Town of Walpole shall continue with the work described in said Article 3 under the provisions of the Water Bond Issue.

THE WALPOLE BOARD OF SELECTMEN
By *Bernard J. Duffy, Jr.*

There being no further business to come before this meeting, it was moved, seconded and voted that this Special Town Meeting of April 17, 1973 be dissolved. The Moderator so declared at 8:15 P.M.

Adjourned Annual Town Meeting April 23, 1973

Norfolk, ss.

ARTICLE 66.—TRANSFER TO REDUCE TAX RATE.

Voted: That the Town appropriate One Hundred Thousand Dollars (\$100,000) of Free Cash in the Treasury not otherwise appropriated, for the purpose of reducing the amount to be raised by taxation by the Assessors of the Town for the current eighteen month fiscal period.

Vote: Yes—80; No—15.

Voted: To adjourn this meeting to May 7, 1973 at 7:30 P.M. in the West Junior High School Auditorium. The Moderator so declared at 10:30 P.M.

Adjourned Annual Town Meeting May 7, 1973

Norfolk, ss.

Pursuant to the adjournment of April 30, 1973, the Adjourned Annual Town Meeting of the Town of Walpole was held in the West Junior High School on MONDAY, MAY 7, 1973.

The meeting was called to order at 7:45 P.M. by Moderator Thomas M. White. All by-laws and regulations concerning the calling of a Town Meeting were fulfilled and a quorum was present.

The Assembly recited the Pledge of Allegiance.

The following Tellers were appointed: Horace Mayo, Donald Youngdahl and Levi Salonen.

ARTICLE 27.—PAY SCHEDULES.

Voted: Until such time as negotiations with the three Unions representing the Police Department, Department of Public Works and Town Hall Employees are complete, we move that the Pay Schedule for 1972 as shown on Pages 27 to 29 of the Appropriation Committee Report be adopted for fiscal 1973 with the exception of the following changes:

1. Last line of Part-Time Personnel, Town Counsel, One Salary Rate — \$12,000.00.
2. Public Safety, Item 80, Chief—Police, One Salary Rate — \$21,220.00.

(See Article 26 of 1972 Annual Town Meeting for Pay Schedule).

ARTICLE 28.—PERSONNEL BY-LAWS.

Voted: That *No Action* be taken to see if the Town will approve the changes in the Personnel By-Laws. (No Changes).

ARTICLE 46.—INSTALL WATER MAINS.

Voted: That the Town raise and appropriate by Transfer from Federal Revenue Sharing Funds, \$109,000.00 to install water mains and appurtenant structures in the following locations:

Short Street	Approximately 800 l.f.
East Street	Approximately 3500 l.f.
Union Street	Approximately 700 l.f.

ARTICLE 13.—REVENUE SHARING.

Voted: That the Town vote to use \$483,800.00 of funds received under the Federal, State and Local Fiscal Assistance Act of 1972 (Revenue Sharing) from 1972 through June 30, 1974 to fund Articles 45, 46, 47, 50, 51, 55, 58, and 59, as voted at this Annual Town Meeting, and to reserve the balance of all such Revenue Sharing funds until further Town Meeting Action.

ARTICLE 16.—RECONSIDERATION.

Voted: To *Reconsider* the vote taken on Article 16 at the April 9, 1973 Town Meeting.

Voted: To *Defeat* original motion calling for \$1,000.00.

Voted: That the Town raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200.00) for the "Night Before the Fourth" Celebration.)

ARTICLE 32.—SCHOOL BUDGET.

Voted: That the Town raise and appropriate the sum of \$8,319,288.79 to cover the School Budget, Items 128 through 140. On Challenge to the Vote on the Substitute Motion, a Standing Vote was taken.

Vote: Yes—66; No—51.

Voted: That the Town raise and appropriate the sum of Eight Million Three Hundred and Nineteen Thousand Two Hundred and Eighty-Eight Dollars and Seventy-Nine Cents (\$8,319,288.79) to cover the School Budget for the 18 month period January 1, 1973 to July 1, 1974, as follows:

SCHOOL DEPARTMENT—57.5% OF TOTAL

Item No.		Recommended 18 Months
	<i>Instruction</i>	
128	Salaries	\$6,283,602.00
129	Expenses	420,829.00

TOTAL SCHOOL DEPARTMENT		\$8,319,288.79

ARTICLE 2.—VOCATIONAL SCHOOL REPORT.

Philip Mitchell submitted the report for the Regional-Vocational School Planning Committee.

There being no further business to come before this Annual Town Meeting, the Moderator declared the 1973 Annual Town Meeting dissolved at 10:00 P.M.

SPECIAL TOWN MEETING MAY 14, 1973

Norfolk, ss.

Pursuant to the foregoing Warrant of May 14, 1973, the Special Town Meeting of the Town of Walpole was held in the West Junior High School Auditorium. Moderator Thomas M. White called the meeting to order at 7:50 P.M.

The Assembly recited the Pledge of Allegiance.

The following Tellers were appointed: William Robinson, Levi Salonen and Roland Peterson.

Voted: To waive Rule 5 of RTM Rules of Procedure in regards to Article 1 and Article 6.

On Challenge to preceding vote: Yes—57; No—34.

Town Clerk Louis E. Hoegler attested to proper return of the Warrant.

ARTICLE 1.—ZONING MAP.

On two-thirds required vote, it was moved and seconded:

To amend the existing Zoning Map as described in Article 1 of the Warrant.

Motion was: *Defeated* Yes—65; No—45.

ARTICLE 2.—INDUSTRIAL COMMISSION.

Voted: That the Town raise and appropriate Four Hundred Eighteen and 50/100 Dollars (\$418.50) to pay an unpaid bill incurred in 1972 by the Industrial Commission.

ARTICLE 3.—PURCHASE LAND.

Voted: That the Town raise and appropriate Three Thousand Four Hundred Dollars (\$3,400.00) to lease or to purchase or take by eminent domain a portion of Parcel E-1006-A and to purchase, lease, or take by eminent domain, a portion of Parcel E-1006-B as shown on the Assessors Map bounded and described as follows:

Beginning at a point on the westerly property line of the Andrews' parcel, said point being N00-06-20W a distance of 375.00 feet from a point on the northerly sideline of Lincoln road and further N52-38-20W a distance of 603.85 feet from a stone bound on the northerly sideline of Lincoln Road; thence from the point of beginning running N00-06-20W a distance of 175.00 feet along a property line; thence turning and running N89-53-40E a distance of 100.00 feet along a property line; thence turning and running S08-05-10W a distance of 176.00 feet along a property line; thence turning and running S89-17-01W a distance of 74.93 feet to the point of beginning; said parcel being identified as Parcel 1 and containing 15,270 square feet more or less, as shown on a plan entitled "Town of Walpole, Mass., Plan of Land off Lincoln Road" dated March 12, 1973 by Peter Boghossian, Town Engineer.

Beginning at a point on the westerly property line of the Buckman parcel, said point being N00-06-20W a distance of 550.00 feet from a point on the northerly sideline of Lincoln Road and further N52-38-20W a distance of 603.85 feet from a stone bound on the northerly sideline of Lincoln Road; thence from the point of beginning running N00-06-20W a distance of 872.0 feet more or less along a property line; thence turning and running southeasterly two courses of 220 feet more or less and 31 feet more or less respectively along property lines; thence turning and running S03-35-55E a distance of 827 feet more or less along a property line; thence turning and running S89-17-01W a distance of 103.77 feet; thence turning and running N08-05-10E a distance of 176.00 feet along a property line; thence turning and running S89-53-40-W a distance of 100.00 feet along a property line to the point of beginning; said parcel being identified as Parcel 2 and containing 2.8 acres more or less, as shown on a plan entitled "Town of Walpole, Mass., Plan of Land off Lincoln Road" dated March 12, 1973 by Peter Boghossian, Town Engineer.

Vote: Unanimous.

ARTICLE 4.—CONCRETE CURB BUILDING MACHINE.

On motion of the Appropriation Committee, it was moved and seconded:

That the Town transfer Two Thousand Five Hundred (\$2,500.00) Dollars from Federal Revenue Sharing Funds to purchase one Bituminous Concrete Curb Building Machine.

Motion was: *Defeated.*

On challenge to vote on Article 4: Yes—47; No—56.

ARTICLE 5.—SANITARY SEWERS DESIGN.

Voted: That the Town transfer from Federal Revenue Sharing Funds a sum of Nine Thousand Nine Hundred Dollars (\$9,900.00) for the purpose of retaining an engineer to survey and design sanitary sewers in conjunction with the survey and design of water mains and appurtenant structures for Coney Street as voted in *Article 44* in the 1973 Annual Town Meeting on April 11th, in the following locations:

Coney Street	Approximately 2400 l.f.
Sandra Road	Approximately 460 l.f.
Hale Road	Approximately 560 l.f.

ARTICLE 6.—ZONING CHANGE.

Voted: That the Town amend the existing Zoning Maps by altering the district boundaries with respect to those portions of the existing Residence "B" and Limited Manufacturing Districts bounded as follows:

Beginning at a point, said point being the centerline intersection of Peach Street and Washington Street, thence running S 44-00-15 W a distance of 835 feet more or less, thence turning and running S 47-34-15 E a distance of 5 feet more or less, thence turning and running S 40-51-15 W a distance of 245 feet more or less, the last three (3) courses being by the centerline of said Washington Street, thence turning and running N 53-33-45 W a distance of 1610 feet more or less by a line between Parcel 1120 and 1128-1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13, as shown on the Walpole Assessors Maps, thence turning and running S 41-20-15 W a distance of 376.77 feet by a line between Parcel 1120 and Parcel 1128-13, 1128-14 and 1129 as shown on the Walpole Assessors Maps, thence turning and running N 27-44-45 W, a distance of 190.16 feet, thence running N 27-56-45 W a distance of 550 feet more or less to the high water line of Diamond Pond, the last two (2) courses being by a line between Parcel 1120 and Parcel 1169 as shown on the Walpole Assessors Maps, thence running generally northerly by said high water line a distance of 150 feet more or less to a Zone line, said Zone line being that between Residence "B" and Limited Manufacturing as shown on the Zoning Map of the Town of Walpole, thence running northwesterly along said Zone line a distance of 420 feet more or less to the baseline of the Penn. Central Co., thence turning and running N 52-23-00 E a distance of 1025 feet more or less to a point of curvature, thence running by a curve to the left and a radius of 5729.65 feet, a distance of 500 feet more or less to the centerline of East Street, the last two (2) courses being by said railroad baseline, thence turning and running S 85-41-30 E a distance of 75 feet more or less, thence running N 86-56-15 E a distance of 245 feet more or less, the last two (2) courses being by said centerline of East Street, thence turning and running S 15-46-30 W a distance of 310 feet more or less by a line between Parcel 1120 and Parcel 697-1-A as shown on the Walpole Assessors Maps, thence turning and running N 89-08-30 E a distance of 277.50 feet by a line between Parcel 1120 and Parcels 697-1-A and 697-1 as shown on the Walpole Assessors Maps, thence running N 79-55-30 E a distance of 294.90 feet by a line between Parcel 1120 and Parcels 697-2-2A and 697-2-2B as shown on the Walpole Assessors Map, thence turning and running S 27-37-50 W a distance of 51.44 feet, thence running S 21-45-20 E a distance of 20.58 feet, the last two (2) courses being by two lines between Parcel 1120 and Parcel 697-4, as shown on the Walpole Assessors Maps, thence running generally southerly a distance of 410 feet more or less by a line between Parcel 1120 and Parcels 697-5-2 and 697-5 as shown on the Walpole Assessors Maps, thence turning and running S 69-04-30 E a distance of 211 feet more or less, to the centerline of Peach Street, by a line between Parcel 1120 and Parcel 697-5 as shown on the Walpole Assessors Maps, thence turning and running S 18-51-30 W a distance of 405 feet, more or less, to a point of curvature, thence running by a curve to the left and a radius of 257.47 feet a distance of 325 feet, more or less, thence running S 53-37-15 E a distance of 11.12 feet, the last three (3) courses being by said centerline of Peach Street, thence turning and running S 36-22-45 W a distance of 135.00 feet by a line between Parcel 1120 and Parcel 1125 as shown on the Walpole Assessors Maps, thence turning and running S 53-37-15 E a distance of 325.34 feet by a line between Parcel 1120 and Parcels 1125, 1126-D, 1126-D-2 and 1126-E as shown on the Walpole Assessors Maps, thence running S 57-37-15 E a distance of 178.00 feet, thence turning and running N 82-34-45 E a distance of 180 feet, more or less, to the centerline of Peach Street, the last two (2) courses being by a line between Parcel 1120 and Parcel 1127 as shown on the Walpole Assessors Maps, thence turning and running S 53-37-15 E a distance of 250 feet, more or less, to the point of beginning, the aforementioned land being part of Parcel 1120 and Parcel 1169 as shown on the Walpole Assessors Maps.

By withdrawing said portions from Residence B and Limited Manufacturing Districts as they may now appear and establishing the same as being within the General Residence District.

Vote: Yes—97; No—7.

On Resolution of the Board of Selectmen, it was moved, seconded and

Voted: WHEREAS, it is the feeling of this body that the proposal presented here for the use of the Walpole Country Club land seems to be in the best interest of the abutters and the Town of Walpole, and

WHEREAS, the zoning amendment presented is a change from Residence B to General Residence, rather than establish a multiple dwelling district for this area, and

WHEREAS, it is the intent of this body that the purpose of this amendment is for the proposed Flatley condominiums, and no other General Residence use,

BE IT RESOLVED, That if for any reason the presented proposal should not or could not be implemented within a reasonable period of time that a further amendment to the Zoning By-Laws, rezoning this parcel either back to Residence B or to an approved multiple dwelling district, shall be presented at the next Town Meeting.

There being no further business to come before this Special Town Meeting, it was moved, seconded and voted to dissolve this meeting. The Moderator so declared at 10:30 P.M.

SPECIAL TOWN ELECTION MAY 19, 1973

Norfolk, ss.

Pursuant to the foregoing Warrant, at a legal meeting, the Inhabitants of Precinct 1 of the Town of Walpole, qualified to vote in elections, met in the Bird School in said Walpole on SATURDAY, THE NINETEENTH DAY OF MAY 1973 at 10:00 o'clock in the forenoon and the Inhabitants of Precinct 2 duly qualified, met in the Old Post Road School; and the Inhabitants of Precinct 3, duly qualified, met in the Blackburn Memorial Building; and the Inhabitants of Precinct 4, duly qualified, met in the Boyden School; and the Inhabitants of Precinct 5, duly qualified, met in the Blackburn Memorial Building; and the Inhabitants of Precinct 6 and Precinct 7, duly qualified, met in the New Fisher School, called for in said Warrant.

The meeting in Precinct 1 was presided over by Warden Mary C. Walsh, duly qualified for office. She was assisted by the following duly qualified officers: Edith Rockett, Ann Cuomo, James Buffington, Earle Davis and Claire Connor.

The meeting in Precinct 2 was presided over by Warden James A. Manninen, duly qualified for office. He was assisted by the following duly qualified officers: Barbara L. Moore, Elizabeth C. Holmes, Anthony DeGiacomo, Katherine O'Halloran, Philip McCormack, Gloria Beaudet and Elaine Platukis.

The meeting in Precinct 3 was presided over by Warden Edward J. Hawkins, duly qualified for office. He was assisted by the following duly qualified officers: Martha L. Fowle, Ann A. Erker, Edward Holmes, Julius J. Yankee, Jeanette A. Penza and Mildred L. Bailey.

The meeting in Precinct 4 was presided over by Warden Bartley Foley, duly qualified for office. He was assisted by the following duly qualified officers: Joan Fish, Edna Onishuk, and Tressa Hurd.

The meeting in Precinct 5 was presided over by Warden James J. Turco, duly qualified for office. He was assisted by the following duly qualified officers: Teresa Mattson, Mary J. Walsh, Edith O'Neil, Barbara B. Powers, Rebecca Powers, David B. Lyons, and Thomas Goodwin.

The meeting in Precinct 6 was presided over by Mary T. Harrington, Warden, duly qualified for office. She was assisted by the following duly qualified officers: Arthur H. Frink, Louise D'Espinosa, Elizabeth Lorenz, Barbara Paul and Alice Ward.

The meeting in Precinct 7 was presided over by Warden Robert E. Carlson, duly qualified for office. He was assisted by the following duly qualified officers: Ernest Manocchio, Levi Salonen, Helen Groote, Charles Daly and Maryanne Boragine.

Results determined in accordance with the provisions of law, declaration thereof was made on open Town Meeting in the Town Clerk's office and was as follows:

Total number of votes in Precinct 1 was	130
Precinct 2 was	167
Precinct 3 was	135
Precinct 4 was	126
Precinct 5 was	134
Precinct 6 was	149
Precinct 7 was	83
Total	924

REFERENDUM QUESTION:

Shall the Town accept provisions of sections sixteen to sixteen I, inclusive, of chapter seventy-one of the General Laws, providing for the establishment of a regional vocational-technical school district, to consist of such two or more towns of Franklin, North Attleboro, and Walpole, together with such four or more of the towns of Dover, Medfield, Medway, Millis, Norfolk, Plainville, Sherborn, and Wrentham as vote to accept such sections, and the construction, maintenance, and operation of a regional school by the said district in accordance with the proposed agreement filed with the Selectmen?

MEETING OF PRECINCT 7 RTM MEMBERS

FOR THE PURPOSE OF FILLING A VACANCY — June 2, 1973

At a meeting held in the Town Hall on June 25, 1973 and called to order at 7:20 P.M., Preston F. Marshall was elected Chairman and Louis E. Hoegler, Town Clerk, was appointed as Clerk.

It was *Voted*: To nominate a Precinct 7 RTM Member as a member of the Rules Committee.

The following names were put into nomination for the one year term vacancy of RTM Member: Ronald F. Spicer, Richard D. Mann, Albert M. Sacerdote and Thomas H. McCormack.

Ronald F. Spicer was declared to be elected.

The following names were put into nomination for the three year term vacancy of RTM Member: Thomas McCormack, Albert Sacerdote and Richard Mann.

Albert Sacerdote was declared to be elected.

Carol A. Lane, 98 Bullard Street was unanimously nominated as a member of the Rules Committee from Precinct 7.

The meeting adjourned at 8:00 P.M.

MEETING OF PRECINCT 5 RTM MEMBERS FOR THE PURPOSE OF FILLING TWO VACANCIES — Sept. 5, 1973

At a meeting held on Wednesday, September 5, 1973 in the West Junior High School, in accordance with Sections 2-20 and 2-21 of the Walpole Home Rule Charter, for the purpose of filling two vacancies in Precinct 5 created by the resignation of Thomas M. White and the removal from Town of Peter Bradley, the following action was taken:

Eleanor N. Johnson was elected Chairman, and Louis E. Hoegler was designated Clerk.

Thomas W. Caplis was appointed to fill the vacancy created by the resignation of Thomas M. White; and

Cynthia P. Green was appointed to fill the vacancy created by the removal from Town of Peter Bradley.

SPECIAL TOWN MEETING SEPTEMBER 5, 1973

Norfolk, ss.

Pursuant to the foregoing Warrant, the Special Town Meeting of the Town of Walpole was held in the West Junior High School Auditorium on WEDNESDAY, SEPTEMBER 5, 1973.

The meeting was called to order at 7:40 P.M. by Moderator Thomas M. White. All rules and regulations concerning the calling of a Town Meeting were fulfilled and a quorum of Representative Town Meeting Members was present.

Louis E. Hoegler, Town Clerk, attested to the proper return of service of the Warrant.

The Assembly recited the Pledge of Allegiance.

A moment of silence was observed in memory of Paul C. Bunker, former Chairman of the School Committee.

The following Tellers were appointed: Lee Salonen, William Powers and John Prendergast.

ARTICLE 1.—SALARY FOR ELECTED OFFICIALS.

Voted: That the Town approve the New Pay Schedules as recommended by the Personnel Board providing that Town Counsel issues his opinion that the schedule reasonably conforms to the Cost of Living Guidelines.

ARTICLE 4.—CUSTODIAL SALARIES; INCLUDING CAFETERIA WORKERS.

Voted: That the Town transfer from Free Cash the sum of \$23,300.00 to cover increased costs of certain school custodial services; including Cafeteria Workers.

ARTICLE 5.—FIREFIGHTERS' SERVICES.

Voted: That the Town transfer from Free Cash the sum of \$30,000.00 for Firefighters' Services.

ARTICLE 6.—FIRE INSURANCE POLICY—STONE SCHOOL.

Voted: That the Town allow the Town administrator to use the sum of money received under the terms of the fire insurance policy to repair property damage at the time of the fire damage at the Stone School by assigning such recovery to the Building Repair Budget, Line Item No. 126 of Article 32, 1973 Annual Town Meeting.

ARTICLE 7.—BY-LAW STUDY COMMITTEE.

Voted: That the Town transfer from Free Cash the sum of \$1,500.00 for the use of the By-Law Study Committee.

ARTICLE 8.—VOCATIONAL TECHNICAL SCHOOL.

Voted: That the Town transfer from Free Cash the sum of \$19,254.96 for the purpose of paying the Town's apportioned share of the initial operating and maintenance costs of the proposed regional vocational technical school district consisting of such two or more of the towns of Franklin, North Attleboro and Walpole, together with the towns of Medfield, Medway, Millis, Norfolk and Sherborn as voted to become members of said district.

ARTICLE 9.—NEW STONE SCHOOL SPRINKLERS.

Voted: That the Town take *No Action* on this Article 9 to rescind the vote under Article 45 of the 1972 Annual Town Meeting as it relates to the installation of sprinklers at the New Stone School and further vote to install heat detectors in lieu of a water sprinkler system.

ARTICLE 10.—SEWER SURVEY AND DESIGN.

Voted: That the Town take *No Action* on this Article 10.

ARTICLE 11.—SANITARY SEWERS ON MARION AVENUE.

On Substitute Motion of Horace Mayo, it was moved and seconded: That the Town vote to raise and appropriate, raise and appropriate by transfer, raise and appropriate by borrowing \$6,800.00 to install sanitary sewers on Marion Avenue.

It was moved, seconded and Voted: That the Substitute Motion become the Main Motion.

Main Motion was then, moved, seconded and *Defeated*.

ARTICLE 12.—ZONING, SCHOOL STREET.

On motion of the Appropriation Committee, it was moved and seconded: That the Town amend the existing Zoning Maps by altering the district boundaries with respect to those portions of the existing residentially zoned district bounded as follows:

Northwesterly by School Street, 95 feet;
Northeasterly by other land of Frank M. Hill Machine Company, 214 feet;
Southeasterly by land now or formerly of C. F. and R. H. Hartshorn, 88 feet; and
Southwesterly by land of Joseph E. and Patricia C. Tarbell, 216.48 feet.
Said land containing 19,512 square feet.

By withdrawing said portions from the said Residential District as they may now appear and establishing the same as being in a Limited Manufacturing District of the Town of Walpole.

On two-thirds required vote, Motion was: *Defeated* — Yes, 54; No, 54.

ARTICLE 13.—VETERANS' PENSIONS.

Voted: That the Town take *No Action* on this Article 13.

ARTICLE 14.—SCENIC ROADS.

On Substitute Motion of Jarvis P. Fox, it was moved and seconded: That the Town designate North Street and High Street as scenic roads in accordance with Chapter 6 of the Acts of the General Court of 1973.

It was moved, seconded and Voted: To move the question.

It was moved, seconded and Voted: That the Substitute Motion become the Main Motion.

Main Motion was then, moved, seconded and *Voted*.

On Motion of the Appropriation Committee, it was moved, seconded and Voted: To incorporate the following into *Article 1*.

* William W. Robinson, 8 Lois Drive	220
Other	1
Blanks	77
Total	298

On January 16, 1973 the following were declared elected and sworn into office by Town Clerk Louis E. Hoegler.

Selectmen: Clement Boragine and Philip H. Macchi each for a three year term.

Town Collector: Jane A. Ahearn for a one year term.

Town Treasurer: Margaret A. Taylor for a one year term.

Moderator: Thomas M. White for a one year term.

Assessor of Taxes: Eino A. Kivi for a term of three years.

Library Trustees: Claire S. Connor and Eleanor M. Harding each for a term of three years.

School Committee: Garrett H. Dalton Jr. and William H. Powers each for a term of three years.

Commissioner of Trust Funds: James A. Manninen for a three year term.

Planning Board: Anthony M. Farinacci for a five year term; John P. Dwyer for a one year unexpired term.

Housing Authority: Ernest A. Manocchio, Jr., for a five year term.

Sewer Commissioners: Roger M. Lamothe for a three year term; Walter J. Shea for a two year term, and Edward J. Delaney for a one year term.

COMMONWEALTH OF MASSACHUSETTS

Town of Walpole

Home Rule Charter

Article I**Section 1-1—Incorporation**

The inhabitants of the Town of Walpole within the corporate limits as established by law since 1724, shall continue to be a body corporate and politic with perpetual succession under the name "Town of Walpole".

Section 1-2—Seal

The official seal of the Town of Walpole shall be as follows:

**Section 1-3—Short Title**

This instrument may be cited as the Walpole Home Rule Charter. The administration of the fiscal, prudential and municipal affairs of the town shall be vested in an executive branch to consist of the board of selectmen and a legislative branch to consist of the representative town meeting.

Section 1-4—Powers

Subject only to express limitations on the exercise of any power or function by a town in the constitution or laws of the commonwealth, it is the intent and the purpose of the voters of Walpole to secure through the adoption of this charter all of

the powers it is possible to secure for the town under the constitution and laws of the commonwealth.

Section 1-5—Construction

The powers of the town under this charter are to be construed liberally in favor of the town and the specific mention of particular powers is not intended to limit in any way the general powers of the town as stated in Section 1-4.

Article II**Section 2-1—Form of Meeting**

There shall continue to be a representative form of town meeting which shall exercise the corporate powers of the town.

Section 2-2—Establishment of Precincts

The selectmen shall divide the town into not less than five nor more than nine voting precincts. Each precinct shall contain not less than two thousand inhabitants.

Section 2-3—Composition

The number of members of the representative town meeting elected in each precinct shall be approximately in the same ratio to the total number of members elected in the town as the number of inhabitants in the precinct is to the number of inhabitants in the town. The membership in each precinct shall consist of the largest number divisible by three which will result in a total elected membership in the town not exceeding one

hundred and fifty. The number of elected town meeting members to which each precinct is entitled for the ensuing year shall be determined by the town clerk between October fifteenth and October twentieth of each year and shall be proportionate to the number of inhabitants on January first of that year.

Section 2-4—Nonvoting Members

The membership of the representative town meeting also shall include the following nonvoting members at large: the town clerk, the town counsel, the town administrator, any member of the General Court who is a registered voter of the town, and the chairmen of the following: selectmen, appropriation committee, personnel board and planning board.

Section 2-5—Attendance

It shall be the duty of the selectmen and the chairmen of each board or committee of the town and the head of each town department to attend that part of every representative town meeting at which matters pertaining to their area, other than those to be acted upon or determined by ballot, are to be considered. Representative town meeting membership attendance records shall be made available at the town clerk's office as a part of the public records.

Section 2-6—Precincts

The precincts shall be plainly designated and so established as to consist of, when possible, compact and contiguous territory, and shall be bounded so far as possible by the center line of highways or by other well-defined limits.

Section 2-7—Review of Precincts

The boundaries of the precincts shall be reviewed and may be wholly or partly revised by the selectmen in September of the year after the expiration of five years following their establishment, revision, or review in September of any other year when so directed by vote of a representative town meeting held not later than the twentieth day of August in such year.

Section 2-8—Notice of Precincts

The selectmen within ten days after the establishment or revision of precincts shall file a report of their action with the town clerk, the registrars of voters and the assessors, with a map or description of the precincts and the names and addresses of the registered voters in each. They also shall cause to be posted in the town hall a map or description and a list of the registered voters in the precinct as established or revised, and similar information for each precinct shall be posted in at least one public place in the precinct unless a description of precincts shall be published in a newspaper having a general circulation in the town. Written notice shall be mailed to each voter affected.

Section 2-9—Review of Precincts

The division of the town into precincts and any revision of precincts shall take effect upon the date of the filing of the report thereof with the town clerk. Whenever precincts are established or revised, the town clerk shall forthwith give written notice and description to the secretary of the commonwealth, stating the number and designation of the precincts.

Section 2-10—Registered Voters

Meetings of the registered voters of the several precincts for elections and primaries or for voting upon a question to be submitted to all the voters of the town shall be held at the same time and at such place as the selectmen shall direct in the warrant for the meeting.

Section 2-11—Nominations

The nomination of candidates for town meeting members shall be made by nomination papers which shall bear no political designation. Such papers shall be signed by not less than twenty-five registered voters of the precinct in which the candidate resides and shall be subject to section ten of chapter fifty-three of the General Laws. No nomination paper shall be received or be valid unless the written acceptance of the candidate thereby nominated shall be filed therewith.

Section 2-12—Candidates for Re-Election

A town meeting member may become a candidate for re-election by giving written notice to the town clerk not later than

fourteen days prior to the last day on which the nomination papers of candidates for other town offices must be filed. If a town meeting member is a candidate for re-election, there may be added to his name as it appears on the ballot for the election of town officers the words "candidate for re-election"; provided, however, that a representative town meeting member elected by the remaining members of a precinct to fill a vacancy shall not be considered a candidate for re-election.

Section 2-13—Elections

The registered voters in each precinct at the first annual town election held after the establishment of the precinct, and those in any precinct affected by a revision of precincts at the first annual town election following such revision, shall elect by ballot the number of registered voters in the precinct, determined as herein provided, to be town meeting members of the town.

Section 2-14—Terms and Equal Votes

The first third to the nearest whole number of members elected in the order of votes received shall serve for three years, the second third to the nearest whole number for two years, and the remaining third to the nearest whole number for one year from the day of the annual town meeting. In case of an equal vote affecting the division into thirds, the remaining town meeting members from the precinct shall determine the same by ballot.

Section 2-15—Expiration of Terms

Thereafter as the term of the town meeting members expire except as otherwise provided herein, the registered voters of each precinct at each annual town election shall elect for the term of three years in like manner one third of the number to which the precinct is entitled, and also shall fill for the unexpired term any vacancy then existing in the number of elected town meeting members in the precinct.

Section 2-16—Procedure with Equal Number of Votes

If two or more candidates for town meeting member receive an equal number of votes, other than for the division into thirds for deciding their term of office, the remaining members in such precinct shall determine by ballot which of the candidates shall serve as a town meeting member. The terms of office of the town meeting members from any precinct whose boundaries are revised shall cease upon the election of their successors. The town clerk, after every election of town meeting members, shall notify each member by mail of his election.

Section 2-17—Changes in Precincts

If the boundaries of any precinct are revised or any new precinct established, there shall be a new election of town meeting members in each precinct whose territory is affected at the first annual town election following such a revision.

Section 2-18—Election Laws

The representative town meeting members shall be elected in conformity with chapters fifty-three and fifty-four of the General Laws relative to elections, and the provisions of law relating to precinct voting at elections shall apply to all elections and primaries in the town so far as such laws are not inconsistent herewith. The provisions of this article pertaining to the establishment of precincts shall not authorize any action contrary to the provisions of any law relative to the use of precincts in the formation of representative districts.

Section 2-19—Resignations

A town meeting member may resign by filing a written resignation with the town clerk, effective upon the date of filing. A member who removes from the town shall cease forthwith to be a member, and a member who removes from one precinct to another may serve only until the next annual town meeting.

Section 2-20—Vacancies

Upon notice of a vacancy in the number of town meeting members from any precinct arising from any cause, the town clerk shall notify the remaining members from the precinct of said vacancy; the town clerk shall also publicly notify all voters of the precinct in which a vacancy occurs. A vacancy may be filled by vote of the remaining town meeting members from the precinct. Upon petition filed by no less than one third of the town meeting members from the precinct, the town clerk shall

call a meeting of the remaining members from the precinct for the purpose of filling the vacancy. However, any such petition must be filed with the town clerk not less than 35 days prior to the date of the next annual election.

Section 2-21—Procedure for Vacancies

A majority of the members from the precinct shall constitute a quorum and shall elect one of their number as chairman and one as clerk or they may designate the town clerk to act as clerk of the meeting. The vote shall be ballot and a majority of votes cast shall be necessary for a choice. The chairman and clerk shall count the ballots and the chairman shall make a certificate of the choice which shall be filed with the town clerk together with a written acceptance of the person so chosen, who thereupon shall be deemed to be chosen as a town meeting member.

Section 2-22—Town Moderator

A moderator shall be elected by ballot at the annual town meeting when the term of office of a moderator expires, and he shall serve at all town meetings except as otherwise provided by law, until a successor is elected and qualified. The nomination and election of a moderator shall be the same as for other elective town officers. If the moderator is absent, a moderator pro tempore may be elected by the town meeting members.

Section 2-23—Warrant Articles

The articles in the warrant for every town meeting which relate to the election of a moderator, town officers, and town meeting members and to referenda and all matters to be acted upon and determined by ballot, shall be acted upon and determined by the registered voters of the town. All other articles shall be acted upon and determined exclusively by the town meeting members at a meeting held at a time and place specified by the selectmen in the warrant for the meeting, subject to a referendum as herein provided.

Section 2-24—Notification

The town clerk shall notify the town meeting members of the time and place at which meetings are to be held, the notices to be sent by mail at least seven days before the meeting. No mailed notices of the time and place of adjourned town meetings shall be required.

Section 2-25—Compensation, Quorum and Adjournment

The members of the representative town meeting shall receive no compensation for serving as members of the representative town meeting. A majority of the members shall constitute a quorum for the transaction of business. A lesser number may organize temporarily and may adjourn from time to time, but a meeting shall not adjourn beyond the date of an election of town meeting members.

Section 2-26—Rules

The representative town meeting may make such rules consistent with law as it may consider necessary for conducting its meetings. All proposed changes in rules will be referred to a rules committee which will then consider them and make recommendations at the annual town meeting.

Changes in these rules shall become immediately effective upon a two-thirds vote by the annual town meeting.

Section 2-27—Conflict of Interest

A town meeting member shall be ineligible to vote on any matter in which he is deemed by the town counsel to be in conflict of interest.

Section 2-28—Town Meeting Committees

The representative town meeting may appoint such committees as it may consider necessary to investigate and report on any matters referred to them and to make a recommendation thereon, but no such committee shall have any executive or legislative powers and all matters shall be determined by vote of the town meeting members.

Section 2-29—The Public

All representative town meetings shall be open to the public. Any registered voter of the town who is not a town meeting member, subject to such conditions as the town meeting members may determine, may speak at least once upon any matter at such a meeting, but he shall have no vote.

Section 2-30—Votes Not Operative Until Expiration of Seven Days

The following votes of a representative town meeting shall not be operative until the expiration of seven days, exclusive of Sundays and holidays, from the dissolution of the last business meeting for the transaction of business except for the election of officers: (a) authorizing the expenditure of twenty-five thousand dollars or more as a special appropriation; (b) establishing a new board or office; (c) abolishing an old board or office; (d) merging two or more boards or offices; (e) fixing the term of office of town officers where such term is optional; (f) increasing or reducing the number of members of a board; (g) adopting a new by-law; and (h) amending or repealing an existing by-law. Sections c, d, e and f shall not be subject to referenda when adopted under the provisions of Chapter 48B of the General Laws of Massachusetts.

Section 2-31—Procedure for Referenda

If within such period of seven days a petition signed by not less than fifty registered voters from each precinct, the aggregate number so signing being not less than four percent of the registered voters in the town, is filed with the selectmen asking that any question involved in such a vote may be submitted to the voters of the town at large, then the selectmen within seven days thereafter shall call a special meeting to be held within forty-five days following such call for the sole purpose of presenting the question to the voters at large.

Section 2-32—Vote on Referenda

Each question submitted shall be placed on the official ballot in the following form: "Shall the town vote to approve the action of the representative town meeting whereby it was voted (insert brief description of the substance of the vote)?"

Section 2-33—Regulation of Polls for Referenda

The polls for voting upon such a question may be opened no later than at twelve o'clock noon and shall be closed not earlier than eight o'clock in the evening. The vote shall be taken by ballot and the check list used in the several precincts in the same manner as for the election of town officers. A question submitted shall be determined by a majority of the registered voters of the town voting thereon or by the same proportion of votes as would be required if the question were determined by a representative town meeting, but an action of the representative town meeting shall not be reversed unless at least twenty-five percent of all the registered voters in the town shall so vote.

Section 2-34—Petitions

If such a petition for a referendum is not filed within seven days, the vote of the representative town meeting shall become operative and effective upon the expiration of that period; except when state statutes provide otherwise.

Section 2-35—Corporate Powers

The town shall have the capacity to act through and to be bound by the action of its town meeting members, who when convened from time to time shall constitute a representative town meeting. The representative town meeting shall have and may exercise all powers vested in the municipal corporation so far as it is consistent with the provisions of this charter.

Section 2-36—Force and Effect of Town Meeting Votes

Action by a representative town meeting in conformity with laws now or hereafter applicable to the transaction of town affairs in town meeting shall have the same force and effect as if taken in a town meeting open to all voters of the town, as organized and conducted before the establishment of representative town government.

Article III

ELECTED OFFICIALS

Section 3-1—General Provisions

(a) *Elective Offices.* The offices to be filled by ballot of the whole town shall be a board of selectmen, a moderator, a school committee, four (4) members of a housing authority, a planning board, a town treasurer, a town tax collector, a board of assessors, a board of sewer and water commissioners, a library board of trustees and such members of regional authorities or

districts as may be established by statute, interlocal agreement or otherwise.

(b) *Eligibility.* Any registered voter of the town shall be eligible to hold any elective town office.

(c) *Election.* The regular election of all town officers and such other matters required by law to be determined by ballot shall be held annually on the first Saturday in May, and shall be called pursuant to a separate annual town meeting warrant.

Section 3-2—Selectmen: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a board of selectmen consisting of five (5) members elected by vote of the registered voters of the town for three-year overlapping terms, so arranged that the terms of not more than two members shall expire each year.

(b) *Powers and Duties.* The executive powers of the town shall be vested in the board of selectmen and may be exercised by them either severally or through town agencies and offices under their general supervision and control. The board of selectmen shall cause the laws and orders for the government of the town to be enforced and shall cause a record of all their official acts to be kept, and for that purpose and to aid them in their official duties, they shall appoint a town administrator. The board of selectmen shall also act as road commissioners.

(c) *Appointments.* The selectmen shall appoint for fixed terms, constables (after notice having been duly advertised for one month prior to said appointment), town counsel, a dog officer, a sealer of weights and measures and they shall appoint for fixed overlapping terms the members of the board of appeals, registrars of voters, conservation commission, recreation committee, industrial commission, trust fund commissioners, fence viewers, industrial finance board, cemetery commission and board of health, and they shall appoint for indefinite terms a veterans' agent, a town clerk, a chief of the police department and a chief of the fire department. The selectmen shall also appoint such other officers, boards, commissions or committees for such terms of office as may be provided by state statute, by this charter, by by-law or by other vote of the representative town meeting.

(d) *Investigations.* The board of selectmen may make investigations and may authorize the town administrator to investigate the affairs of the town and the conduct of any town department, office or agency, including any doubtful claims against the town.

Section 3-3—Moderator: Term of Office; Powers and Duties

(a) *Term of Office.* At each town election when the term of office of the incumbent expires, a moderator shall be elected by vote of the registered voters of the town for a one (1) year term.

(b) *Powers and Duties.* The moderator shall have the powers and duties for that office as provided in Article II of this Charter, and in the town by-laws, and as provided by state statute.

Section 3-4—School Committee: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a school committee consisting of seven (7) members elected by vote of the registered voters of the town for three (3) year overlapping terms such that the term of at least two (2) members shall expire each year.

(b) *Powers and Duties.* The school committee shall have all of the powers and duties school committees may have under the constitution and laws of the commonwealth, and it shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Section 3-5—Planning Board: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a planning board consisting of five (5) members elected by vote of the registered voters of the town, for three (3) year overlapping terms such that the terms of office of not more than two (2) members shall expire each year.

(b) *Powers and Duties.* The planning board shall have all the powers and duties planning boards may have under the constitution and laws of the commonwealth and it shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Section 3-6—Housing Authority: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a housing authority to consist of five (5) members serving five (5) year overlapping terms such that the term of one (1) member expires each year. Four (4) of these members shall be elected by the registered voters of the town and the fifth member shall be a resident of the town appointed by the commonwealth commissioner of community affairs.

(b) *Powers and Duties.* The housing authority shall have all of the powers and duties housing authorities may have under the constitution and laws of the commonwealth, and it shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Section 3-7—Town Treasurer: Term of Office; Powers and Duties

(a) *Term of Office.* At each town election when the term of office of the incumbent expires, a town treasurer shall be elected by vote of the registered voters of the town for a three-year term.

(b) *Powers and Duties.* The town treasurer shall have all of the powers and duties which the town treasurer may have under the constitution and laws of the commonwealth and he shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Section 3-8—Tax Collector: Term of Office; Powers and Duties

(a) *Term of Office.* At each town election when the term of office of the incumbent expires, a tax collector shall be elected by vote of the registered voters of the town for a three-year term.

(b) *Powers and Duties.* The tax collector shall have all of the powers and duties which the tax collector may have under the constitution and laws of the commonwealth, and he shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Section 3-9—Board of Assessors: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a board of assessors consisting of three (3) members elected by vote of the registered voters of the town, for three (3) year overlapping terms such that the term of office of at least one member expires each year. The board shall elect a chairman who will serve as a full-time member.

(b) *Powers and Duties.* The board of assessors shall have all of the powers and duties which assessors may have under the constitution and laws of the commonwealth and it shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Section 3-10—Board of Sewer and Water Commissioners: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a board of sewer and water commissioners to consist of three (3) members

elected by vote of the registered voters of the town for three (3) year overlapping terms such that the term of office of at least one member expires each year.

(b) *Powers and Duties.* The board of sewer and water commissioners shall have all the powers and duties sewer and water commissioners may have under the constitution and laws of the commonwealth and it shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting. The board of sewer and water commissioners shall assign all work and maintenance projects to the town administrator for performance.

Section 3-11—Library Board of Trustees: Composition; Term of Office; Powers and Duties

(a) *Composition; Term of Office.* There shall be a board of library trustees consisting of six (6) members elected by vote of the registered voters of the town for three (3) year overlapping terms such that the term of office of two members shall expire each year.

(b) *Powers and Duties.* The library board of trustees shall have all the powers and duties which library trustees may have under the constitution and laws of the commonwealth and it shall have such additional powers and duties as may be authorized by this charter or by by-laws or by other vote of the representative town meeting.

Article IV

TOWN ADMINISTRATOR

Section 4-1—Appointments: Qualification: Term

The board of selectmen shall appoint a town administrator for an indefinite term. The administrator shall be appointed on the basis of his executive and administrative qualifications. He shall be a person especially fitted by education, which shall consist of at least a bachelor's degree from an accredited degree granting institution. He must have paid experience in public administration to perform the duties of the office. He need not be a resident of the town or of the commonwealth at the time of his appointment but he must establish residence within the town within twelve months following his appointment. He shall not have served as a selectman in the town of Walpole for at least two years prior to his appointment. He shall devote full time to the office of the town administrator and shall not hold any other public elective or appointive office or engage in any other business or occupation during his term. The town may from time to time by by-laws establish such additional qualifications as seem necessary and appropriate.

The town administrator shall be appointed without regard to race, creed, sex, color or political beliefs.

Before entering upon the duties of the office he shall be sworn in the presence of a majority of the board of selectmen to the faithful performance of his duty. He shall execute a bond in favor of the town for the faithful performance of his duties in such sum and with such sureties as may be fixed by the selectmen; the cost of said bond shall be borne by the town.

Any vacancy in the office of town administrator shall be filled as soon as possible by the selectmen, and meanwhile they shall appoint a suitable person as temporary town administrator to perform the duties necessary to maintain the administrative functions of the regular town administrator. Such temporary appointment may not exceed four months, but such temporary appointment may be further extended for one thirty-day period.

Section 4-2—Removal

The board of selectmen may remove the town administrator in accordance with the following procedures.

(a) The board shall adopt a preliminary resolution by the affirmative vote of four-fifths of all its members which must state the reason or reasons for removal. This preliminary resolution may suspend the administrator for a period not to exceed thirty days. A copy of the resolution shall be delivered forthwith

either by hand or through certified or registered mail, to the place of residence of the administrator.

(b) Within five days after receipt of the preliminary resolution, the administrator may file, either personally or through counsel, a written request with the board for a hearing. This hearing shall be held at a meeting of the board not later than twenty days after the request is filed, nor earlier than ten days. The administrator may file a written statement with the board, provided that the same is received more than forty-eight hours in advance of the public hearing.

(c) In the event that a public hearing is requested, the board of selectmen shall cause a suitable notice of it to be published in a newspaper of general circulation in the town, citing the purpose of the hearing, its location, time and date. The board shall also cause identical notices to be posted in the town hall. All notices shall be published not later than five days prior to the scheduled hearing.

(d) At any hearing so held, the board of selectmen shall cause the reason or reasons for suspending or removing the administrator to be read aloud. The administrator personally or through counsel, will be given adequate time to respond to the reason or reasons. Both parties shall have the right to summons witnesses, including the subpoena of records, reports and witnesses. Any witness so called shall be properly sworn in and any records introduced in evidence shall be examined by the town official having custody over such records as to the accuracy of any and all such records. Both the board and the administrator shall be permitted reasonable rebuttal to arguments and testimony advanced. The board and the administrator shall mutually agree to the appointment of an impartial hearing officer to preside. Should they be unable to agree, the town counsel shall so serve.

(e) The board may adopt a final resolution of removal, which may be made effective immediately, by affirmative vote of four-fifths of all its members at any time after ten days from the date of delivery of a copy of the preliminary resolution to the administrator if he has not requested a public hearing, or any time after the public hearing if he has requested one.

(f) Within ten days after their vote to make the resolution final, but in no event, later than thirty days from the date of the adoption of the first resolution, the board must, by a four-fifths vote of all its members, either affirm or dismiss the original resolution of removal. The administrator shall continue to receive his salary until the effective date of a final resolution of removal. The action of the board on suspending or removing the administrator shall be final.

Section 4-3—Acting Town Administrator

By letter filed with the town clerk, the administrator shall designate a qualified town administrative employee or officer to exercise the powers and perform the duties of administrator during his temporary absence; said appointment shall be made subject to the approval of the board of selectmen. If the administrator fails to make such appointment, if the person so appointed refuses to serve, or if the administrator has been suspended under the provisions of Section 4-2, the selectmen may appoint a suitable person to serve. The acting town administrator shall exercise only those powers and perform those duties necessary to maintain the administrative functions of the regular town administrator during his absence.

Section 4-4—Powers and Duties

The town administrator shall be the chief executive and administrative officer of the town and be responsible to the board of selectmen for the administration of all town affairs placed in his charge by or under this charter. He shall have the following powers and duties:

(a) He shall appoint and remove all department heads and all officers, subordinates and employees, including those appointments and removals for which no other method is provided in this charter, in a collective bargaining agreement, or in the general laws.

(b) Except as otherwise provided by this charter, civil service rules and procedures, collective bargaining agreements or by the general laws, he shall furnish ten working days advance written notice of the removal of any officer or employee to such person and provide that compensation for those days be paid.

(c) He shall direct and supervise the administration of all departments, boards and commissions under his control.

(d) He shall attend all regular and special meetings of the board of selectmen, unless excused at his own request, and shall have a voice but no vote in all of its discussions.

(e) He shall see that all of the provisions of the general laws, of this charter, of votes of the town meeting, and of the board of selectmen which require enforcement by him or officers subject to his direction and supervision are faithfully carried out.

(f) He shall keep full and complete records of the finances and administrative activities of his office and render a full report to the selectmen at the end of each fiscal year and otherwise as they may require.

(g) He shall keep the selectmen informed as to the financial condition and needs of his office and shall make such recommendations to the selectmen as he deems necessary or expedient.

(h) He shall have responsibility for materials, repairs and supervision of all town property, including school buildings and grounds and have full jurisdiction for the rental of all town facilities except schools.

(i) He may, without notice, cause the conduct of any officer or employee, or department, board or commission under his control, or the conduct of officers or employees thereof, to be examined. The town administrator shall have access to all town books and papers for information necessary for the proper enforcement of his duties.

(j) He shall negotiate and award contracts, subject to the approval of the board of selectmen, involving any subject within his jurisdiction, including all contracts relative to sewer and water projects. The said contracts shall be awarded in accordance with the General Laws, and shall be opened and recorded in the selectmen's hearing room in the presence of the selectmen's secretary.

(k) He shall be responsible for purchasing all supplies, materials, services and equipment for all departments, boards, agencies and activities of the town except for school books.

(l) He may create, expand, consolidate or abolish all offices and agencies not specifically provided for by this charter, by statute, by by-law or by an administrative code, under procedures described in Article V.

Section 4-5—Appointments

(m) He shall act, subject to the approval of the State Department of Public Health, as local superintendent for the suppression of insects and vermin with the powers and duties now and hereafter provided by law with respect to said office.

(n) He shall perform the duties of health agent, park commissioner and forest commissioner.

(o) He shall maintain full and complete personnel records for all town employees except school department employees and elected officials of the town.

(p) He shall be responsible for all work and maintenance projects assigned to him by the board of sewer and water commissioners. He shall attend all regular and special meetings of the board of sewer and water commissioners, unless excused at his own request, and shall have a voice but no vote in all of its discussions.

Section 4-5—Appointments

The Town Administrator shall appoint for indefinite terms, the town animal inspector, the town wiring inspector, the town gas inspector, and the town plumbing inspector. The town

administrator shall also make the following appointments for indefinite terms but said appointments and dismissals shall be subject to the approval of the board of selectmen: town building inspector, superintendent of the department of public works, tree warden and recreation director. The town administrator shall appoint the town accountant for a three (3) year term but said appointment and dismissal shall be subject to the approval of the board of selectmen.

Article V

ADMINISTRATIVE ORGANIZATION

Section 5-1—Creation of Departments, Divisions, Agencies and Offices

The organization of the town into operating departments, divisions, offices and agencies may be accomplished through either of the methods provided in this article.

(a) *By-Laws.* Subject to state statute and the provisions of this charter, representative town meeting may, by by-law, reorganize, consolidate, or abolish any town board, commission, committee, department, office or agency, in whole or in part, establish such new boards, commissions, committees, departments, offices or agencies as it deems necessary or advisable and prescribe the functions of all such entities; provided, however, that no function assigned by this charter to a particular department, office, agency, board, commission or committee may be discontinued, or unless this charter specifically so provides, assigned to any other.

(b) *Administrative Code.* The board of selectmen, after consulting with the town administrator, may from time to time prepare and submit to the representative town meeting, plans of organization or reorganization, which establish operating divisions for the orderly, efficient or convenient conduct of the business of the town.

Whenever the board of selectmen prepares such a plan, it shall hold one or more public hearings on the proposal giving notice by publication in a newspaper of general circulation in the town, which notice shall describe the scope of the proposal and the time and place at which the hearing will be held. Following such public hearing, the board of selectmen shall submit to the representative town meeting by a warrant article their proposal which may have been amended subsequent to the public hearing.

An organization or reorganization plan shall become effective at the expiration of ninety (90) days following the date the proposal is submitted to the board of selectmen unless the representative town meeting shall by a majority vote within that time vote to disapprove the plan. The town meeting may vote only to approve or disapprove the plan and may not vote to amend or alter it.

The selectmen may, through the administrative code, and subject to state statute and this charter, reorganize, consolidate or abolish all town boards, departments, committees, commissions or offices, in whole or in part, establish such new boards, departments, committees, commissions, or offices, as they deem necessary; and for such purpose transfer the duties and powers and, so far as is consistent with the use for which the funds were voted by the town, transfer the appropriation of one board, department, committee, commission or office to another; provided, however, that no function assigned by this charter to a particular department, office, agency, board, commission or committee may be discontinued, or, unless this charter specifically so provides, assigned to any other.

Section 5-2—Personnel Plan

The personnel board shall establish personnel requirements for all departments in the town of Walpole, except the school department. The personnel plan as prepared by the personnel board shall also be kept on file in the office of the town clerk.

Section 5-3—Publication of Administrative Code and Personnel Plan

Up to date records of any re-organization plan in force under this article shall be kept on file in the office of the town clerk.

Article VI

FINANCES AND FISCAL PROCEDURES

Section 6-1—Fiscal Year

The fiscal year of the town shall be as required by the General Laws.

Section 6-2—Submission of Budget and Budget Message

On or before December 1 of each year, the town administrator shall submit to the board of selectmen, and file with the appropriations committee, a proposed budget for the fiscal year with an accompanying budget message and supporting documents.

Section 6-3—Budget Message

The message of the town administrator shall explain the budget for all town agencies, both in fiscal terms and in terms of work programs. It shall outline proposed financial policies of the town for the ensuing fiscal year, describe important features of the budget, indicate any major variations from the current year in financial policies, expenditures and revenues together with the reasons for such changes, summarize the town's debt position and include other material as the town administrator deems desirable, or as the selectmen may require.

Section 6-4—The Budget

The budget shall provide a complete financial plan of all town funds and activities, including the budget adopted by the school committee for the ensuing year. Except for the school budget or as may be required by statute or by this charter, it shall be in the form which the town administrator deems desirable or as the selectmen may require. In his presentation of the budget, the town administrator shall utilize modern concepts of fiscal presentation so as to furnish maximum information and the best financial control. The budget shall show in detail all estimated income from the proposed property tax levy and other sources, and all proposed expenditures including debt service for the following year. The budget shall be arranged to show the actual and estimated income and expenditures for the previous, current and ensuing fiscal years and shall indicate in separate sections:

(a) Proposed expenditures for current operations during the ensuing fiscal year, detailed by town agency and position in terms of work programs, and the method of financing such expenditures;

(b) Proposed capital expenditures during the ensuing fiscal year, detailed by town agency, and the proposed method of financing each such capital expenditure; and

(c) Estimated surplus revenue and free cash at the end of the current fiscal year, including estimated balances in any special accounts established for specific purposes.

Section 6-5—Capital Improvement Program

The administrator shall submit a capital improvement program to the board of selectmen and the appropriations committee at least two months before the start of each calendar year. It shall be based on material prepared by the capital budget committee of the town, including (a) a clear, concise general summary of its contents, (b) a list of all capital improvements proposed to be undertaken during the next ensuing five fiscal years, with supporting information as to the need of each such capital improvement, (c) cost estimates, methods of financing and recommended time schedules for each improvement, and (d) the estimated annual cost of operating and maintaining each facility and piece of major equipment involved. If advisable, this information is to be annually revised by the capital budget committee, with regards to the capital improvements still pending or in the process of being acquired, improved or constructed.

Section 6-6—Action on the Budget

(a) The appropriations committee shall hold one or more public hearings on the proposed budget not less than fourteen (14) days prior to the session of the town meeting at which it is to be submitted for adoption.

(b) When the budget proposed by the town administrator, including the budget adopted by the school committee, insofar

as permitted by law, is before the representative town meeting for action, it shall be first subject to amendments, if any, proposed by the appropriations committee before any other amendments shall be proposed.

Section 6-7—Financial Public Records

Statements summarizing the budget and the capital improvements program and related warrant articles as adopted by the representative town meeting shall be made available at the office of the town administrator for examination by the public by the twentieth day after their adoption. These provisions shall not affect the availability of the annual town report, the town warrant or the report of the appropriations committee.

Section 6-8—Approval of Warrants

Warrants for the payment of town funds prepared by the town accountant in accordance with provisions of the general laws shall be submitted to the board of selectmen. The approval of such warrants by the board of selectmen shall authorize payment by the town treasurer.

Section 6-9—Financial Statements

The town accountant shall prepare and file all annual and other financial statements or reports as prescribed by state statute, and promptly each month and annually, shall submit to the board of selectmen and the appropriations committee, financial statements for all funds consisting of, but not limited to, a balance sheet, statement of estimated and actual revenues, statements of estimated and actual expenditures, statements of cash receipts, disbursements and balances, forecast of cash position and statement of changes in fund balances. The financial statements shall be prepared so as to provide a full disclosure of financial position and operating results in accordance with generally accepted accounting principles applicable to the town and shall include but not be limited to, balanced fund groups for the general fund, debt service fund, trust and agency funds, special assessment funds and general fixed asset group of accounts.

Article VII

GENERAL PROVISIONS

Section 7-1—Town Meeting

The annual town meeting of the town of Walpole for the transaction of all business to be considered except the election of officers and other matters required by law to be determined by ballot, shall be considered at a meeting held on the first Monday of March at half past 7 o'clock in the evening. In case of an emergency the business of the meeting may be adjourned for no longer than two weeks. If the business of the meeting shall not be completed on the first night, the meeting shall be adjourned in accordance with the provisions of the general laws.

Section 7-2—Charter Changes

This charter may be replaced, revised or amended in accordance with the procedure made available by Article 89 of the amendments to the state constitution and any legislation enacted to implement the said amendment.

Section 7-3—Severability

The provisions of this charter are severable. If any provision of this charter is held invalid, the other provisions of the charter shall not be affected thereby. If the application of the charter or any of its provisions to any person or circumstance is held invalid, the application of this charter and its provisions to other persons and circumstances shall not be affected thereby.

Section 7-4—Specific Provisions Shall Prevail

To the extent that any specific provision of this charter shall conflict with any provision expressed in general terms, the specific provision shall prevail.

Section 7-5—Rules and Regulations

A copy of all rules and regulations adopted by an officer, board, commission, department or agency of the town shall be filed in the office of the town clerk and made available for review by any person who requests such information.

Section 7-6—Reenactment and Publication of By-Laws

The moderator shall at five (5) year intervals cause to be prepared by a special committee appointed for that purpose, a proposed revision or recodification of the town by-laws which shall be presented to the next annual town meeting for reenactment. Such revisions or recodifications shall be prepared under the supervision of the town counsel, or if the board of selectmen so direct, by special counsel retained for that purpose. Subsequent to enactment by the representative town meeting, copies of the revised by-laws shall be forwarded to the attorney general of the commonwealth for his approval, and they shall be otherwise published as required by the general laws.

Copies of the revised by-laws shall be made available for distribution; provided, however, that a charge not to exceed the actual cost per copy of reproduction may be charged.

Section 7-7—Recall of Elective Officers

Any elective officer of the town may be recalled and removed from public office by the voters of the town as herein provided. Any registered voter of the town may file with the town clerk a petition containing the name and title of the elective officer whose removal is sought, together with a statement of the grounds for removal. Said petition shall be filed with said clerk and shall be signed in ink or indelible pencil by qualified voters of the Town equal in number to at least twenty-five (25) percent of the voters registered at the last regular municipal election, provided that no recall petition may be filed against any officer until he has held office for at least ninety (90) days.

The town clerk shall deliver to said voter copies of petition blanks demanding such recall, printed forms of which he shall keep available. The blanks shall be issued by the town clerk with his signature and official seal of the town attached thereto. Said petitioner shall, within fifteen (15) days, return petition blanks to the town clerk with affidavits signed and sworn to by each circulator.

If, within fifteen (15) days after receipt of the petition the town clerk shall determine the petition and the affidavits to be sufficient, they shall be dated and delivered to the selectmen who shall direct a recall vote to be taken within forty-five days (45) but not sooner than thirty (30) days after such final determination, provided that no such vote shall be taken if the term of such elective official shall expire within ninety (90) days after such determination, or if such elective officer shall resign from such office before the taking of such vote. Said recall vote shall be called and conducted in the same manner as is provided by general law for the recall and conduct of a special election.

The form of the question to be voted upon shall be substantially as follows: Shall (here insert the name and title of the elected officer whose recall is sought) be recalled? A majority vote of the voters to recall such elective officer will determine the question. Recall of such elective officer shall become effective upon certification of the results of the voting therein, regardless of any defect in the recall petition. If any elective officer shall be recalled, the vacancy created thereby shall be filled in accordance with the provisions of this charter and general laws.

No person having been recalled or having resigned from office while recall proceedings were pending against him shall be appointed to any town office or board within two (2) years following said recall or resignation.

Section 7-8—Removals and Suspensions

Any appointed officer or full time salaried employee of the town, not subject to the provisions of the state civil service law, not otherwise subject to a collective bargaining contract with the town, whether appointed for a fixed or an indefinite term, may be suspended or removed from office by the appointing authority for good cause. The term cause shall include, but not be limited to the following: incapacity other than temporary illness, inefficiency, insubordination and conduct unbecoming the office.

Any appointed officer or full time salaried employee of the town may be suspended from office by the appointing authority if such action is deemed by them to be necessary to protect the

interests of the inhabitants of the town. However, no suspension shall be for more than fifteen (15) days.

Suspension may be coterminous with removal and shall not interfere with the rights of the officer or employee under the removal procedure given below.

The appointing authority when removing such officer or employee shall act in accordance with the following procedure:

(a) A written notice of the intent to remove and a statement of the cause or causes therefor shall be delivered by registered mail to the last known address of the person sought to be removed.

(b) Within five (5) days of delivery of such notice the officer or employee may request a public hearing at which he may be represented by counsel, shall be entitled to present evidence, call witnesses and to question any witness appearing at the hearing.

(c) Between one (1) and ten (10) days after the public hearing is adjourned, or if the officer or employee fails to request a public hearing, between six (6) and fifteen (15) days after delivery of the notice of the intent to remove, the appointing authority shall take final action, either removing the officer or employee or notifying him that the notice is rescinded.

Any such officer or employee shall continue to receive his salary until removed from office.

Nothing in this section shall be construed as granting a right to such hearing when a person who has been appointed for a fixed term is not reappointed when his original term expires.

Section 7-8A—Chiefs of Police and Fire Departments

The provisions of Section 7-8 shall not apply to the positions of Chief of Police and Chief of Fire Departments. The removal or suspension of either or both chiefs shall be administered in accordance with the procedures set forth in Article IV, Section 2 of this charter. Neither chief shall be subject to the civil service law and rules. The personnel board shall establish job classifications for the positions of chief of police and chief of fire department.

Section 7-9—Copies of Labor Contracts

The representative town meeting members shall be furnished with copies of all negotiated labor contracts at least seven (7) days prior to the town meeting at which said contract or contracts are to be ratified or funded and copies of same shall be filed with the office of the town clerk.

Article VIII

TRANSITIONAL PROVISIONS

Section 8-1—Continuation of Existing Laws

All general laws, special laws, town by-laws, votes, rules and regulations of or pertaining to the town which are in force when this charter takes effect and which are not inconsistent with the provisions of this charter shall continue in full force and effect until amended or rescinded by due course of law or expire by their own limitations.

Section 8-2—Continuation of Government

All committees, commissions, boards, departments, officers and other agencies of the town shall continue to perform their duties until reappointed, reelected, or until successors to their respective positions are duly appointed or elected or their duties have been transferred.

Section 8-3—Continuation of Administrative Personnel

Any person holding an office or position in the administrative service of the town, or any person serving in the employment of the town shall retain such office or position and shall continue to perform his duties until provisions shall have been made in accordance with this charter for the performance of the said duties by another person or agency; provided, however, that no person in the permanent full time service or employment of the town, shall forfeit his pay grade or time in service. All such

persons shall be retained in a capacity as similar to their former capacity as it is practical so to do.

Section 8-4—Transfer of Records and Property

All records, property and equipment whatsoever of any office, department or agency or part thereof, the powers and duties of which are assigned in whole or in part to another office or agency shall be transferred forthwith to the office, department or agency to which such powers and duties are assigned.

Section 8-5—Repeal of Certain Acts

The following special acts are hereby repealed: Chapter 377 of the Acts of 1924; Chapter 313 of the Acts of 1953; Chapter 549 of the Acts of 1956; Chapter 596 of the Acts of 1967 and Chapter 709 of the Acts of 1969.

Section 8-6—Continuance of Contracts and Other Obligations

All leases, contracts, franchises, and obligations entered into by the town or for its benefit, prior to the effective date of this charter shall continue in full force and effect.

Section 8-7—Pending Actions and Proceedings

No action or proceeding, civil or criminal, in law or in equity, pending at the time when this charter is to take effect, brought by or against the town or any office, department or other agency thereof, shall be effected or abated by the adoption of this charter.

Section 8-8—Effective Date

This charter shall be fully effective upon its approval by the voters at the election at which it is submitted to them except as follows:

(a) The terms of office for the year 1973 shall remain in effect until the next annual election of the first Saturday of May held in 1974.

(b) The town tax collector shall be elected for three-year terms commencing in the year 1974.

(c) The town treasurer shall be elected to a one-year term in the year 1974 and shall be elected to three-year terms commencing in the year 1975.

(d) The terms of the office of the trust fund commissioners shall be terminated on the same date, fixed by the board of selectmen, not more than ninety days following the date on which this charter is adopted. There shall be three trust fund commissioners who shall serve overlapping three (3) year terms.

(e) The terms of office of the incumbent members of the planning board shall continue to their normal expiration. When the terms of office of planning board members expire, elections to fill such position shall be for a term of three years, except that during this period of transition there shall never be more than five nor less than five positions.

(f) The terms of all other elected officials, whether elected at the election at which this charter is adopted or serving the balance of terms to which they were elected in prior elections, shall continue to serve the full term for which they were elected.

(g) The board of sewer commissioners elected at the annual election in 1973 shall constitute the board of sewer and water commissioners. The sewer commissioner who was elected for the three-year term in said election shall be declared elected to the three-year term as water commissioner and likewise the candidate who was elected to the two-year term shall be declared elected to the two-year term as water commissioner.

(h) The provisions of Article 7-8A shall not apply to the present chief of police but shall apply to any successor in office.

(i) Within 30 days following the date on which this charter is adopted, a special committee to revise the town by-laws shall be appointed by the moderator and shall submit a report and recommendations to the representative town meeting for adoption by a warrant article at the 1974 annual town meeting.
